VI. Course Content or Outline (Indicate number of class hours per unit or section):

This is a 0 credit course. Students will be assessed through an external testing organization. The scores will be used to show students how their midlevel proficiency ranks on the ACTFL Scale. The students will then devise a plan so as to be on track to reach the High Intermediate/Advanced Low expectation when they take FR 020.

This is a CR/F course. The student will receive CR just for taking the exam.
