Department: Physics and Engineering Physics

Title of Course: Physics Assessment

I. Catalog Description (Credit Hours of Course):
   Required of all Physics majors. Students must take the Major Field Assessment Test (MFAT) in Physics. Credit/No credit. Students should take MFAT during their last semester taking majors courses. Pre or Corequisite: PH477 (0)

II. Pre or Corequisite: PH477

III. Purposes of the Course:
   1) To ensure that students take the MFAT in Physics before graduation.
   2) To ensure that students submit the Senior Exit Survey before graduation.

IV. Student Learning Outcomes:
   Not Applicable

V. Course Content:
   1) Take the MFAT in Physics
   2) Complete and submit the Senior Exit Survey
