PART I CRIMES

The Federal Bureau of Investigation collects information on offenses through the Uniform Crime Reporting program. The Uniform Crime Report divides offenses into two categories for comparison purposes. The two categories are defined as Part I and Part II crimes.

Part I crimes are divided into two categories consisting of crimes against persons (violent crime) and crimes against property (property crime). Crimes against persons are identified as homicide, rape, robbery, and aggravated assault. Crimes against property are identified as burglary, larceny, auto theft, and arson.

There were a total of 30 Part I crimes reported to the Department of Public Safety in 2015.

Violence Against Women Act (VAWA)

On March 7, 2013, President Obama signed the Violence Against Women Reauthorization Act of 2013 (VAWA) (Pub.Law 1 13-4). Among other provisions, this law amended section 485(f) of the Higher Education Act of 1965, as amended (HEA), otherwise known as the Clery Act. These statutory changes require institutions to compile statistics for certain crimes that are reported to campus security authorities or local police agencies including incidents of sexual assault, domestic violence, dating violence, and stalking.

Registered Sex Offenders List

Under federal law, known as “Megan’s Laws”, individuals convicted of sex crimes may be required to register with law enforcement agencies. If registered sex offenders are enrolled at, or employed at a postsecondary institution, the offender also must provide this information to the state. The state then provides the information to campus police departments or to other law enforcement authorities in the jurisdiction where the institution is located. Therefore, if any individual is required to register as a sex offender and indicates that he or she is employed by, carries on a vocation, or is a student at Southeast Missouri State University, that information will promptly be made available to the Department of Public Safety at Southeast Missouri State University by the Missouri State Highway Patrol (MSHP).

A list of all registered sex offenders whose information has been provided by the MSHP to the Department of Public Safety, Southeast Missouri State University, may be accessed through the Department of Public Safety’s website at http://www.semo.edu/police/safety/registered_sex_offenders.html or may be viewed at the office of the Department of Public Safety at 1401 N. Sprigg Street, Cape Girardeau, MO 63701.

PARKING SUMMARY

2015

INTRODUCTION

PARKING SERVICES

Parking regulations are enforced twenty-four hours a day by the Patrol Unit. During the peak hours of 7:30 a.m. to 5:00 p.m. weekdays, student Ticket Writers provide the majority of enforcement effort.

The Data Processing Unit examines and processes every parking ticket issued. In addition to entering parking ticket data, this Unit is responsible for maintaining parking ticket records, decal entry, and file maintenance.

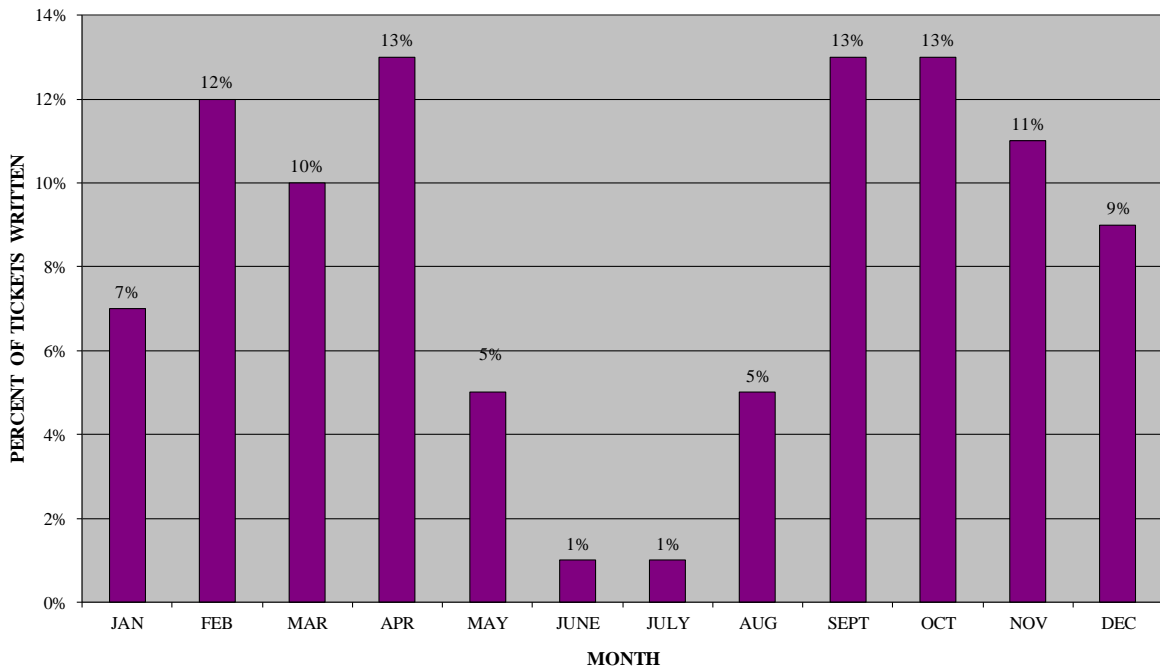

2015 TICKETS BY UNIT

The University Department of Public Safety wrote 28,512 tickets during the calendar year 2015. These tickets were written by the Patrol and Student Ticket Writer Units.

The Patrol unit issues tickets during a twenty-four hour shift rotation. Student Ticket Writers issue tickets on a 9.5 hour, five-day rotation. The percentages of the year's total for each Unit are listed below.

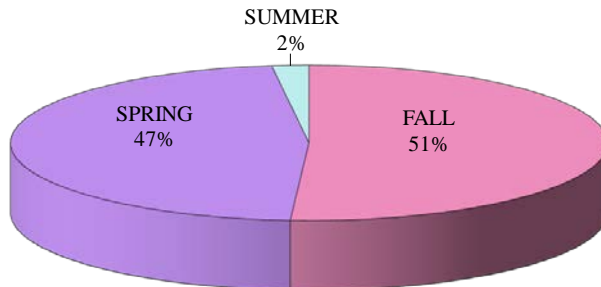

Patrol	14%
Student Ticket Writers	86%

2015 TICKETS-MONTHLY TOTAL

Enforcement efforts are marked by an increase of tickets during the Fall 2015 semester, measuring 51% of the year's total. Spring 2015 accounts for 47% of the year's total. Tickets decrease in the last month of each semester as is illustrated in the months of May and December; the semester ends mid-way through these months.

SEMESTER TOTALS

PARKING VIOLATIONS

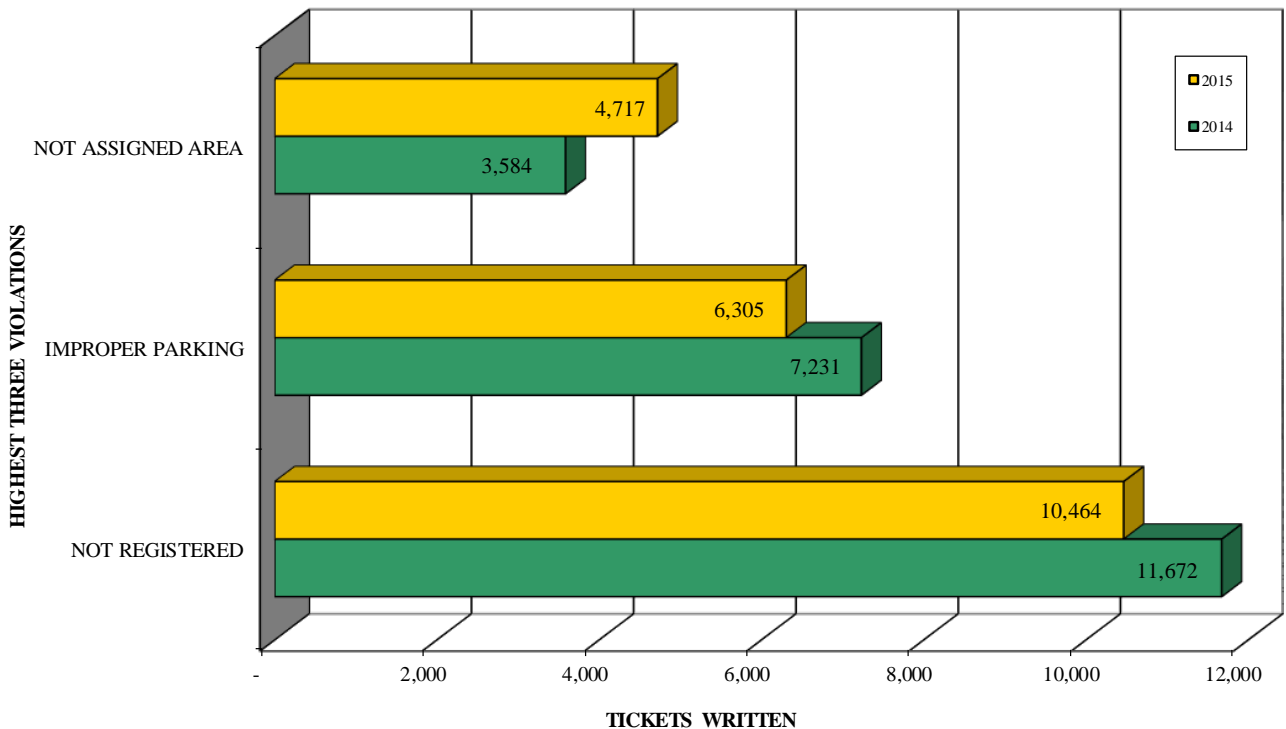

Parking tickets issued decreased by 3,024 tickets in 2015, a 9.6% decrease from 2014.

In 2015, “Not Registered” violations totaled 10,464. This was a 10% decrease from the 11,672 tickets issued for this violation in 2014. This violation remains the most frequently ticketed offense.

The second most frequently issued violation in 2015 was the “Improper Parking” violation. These violations accounted for 6,305 of the year’s total tickets. Improper parking includes: crosswalk, driveway, sidewalk, grass, not a parking space, expired meter, and time limit parking.

The third most frequently issued violation for 2015 was “Not Parked In Assigned Area.” This violation accounted for 4,717 of the tickets issued.

HIGHEST THREE PARKING VIOLATIONS Two Year Comparison

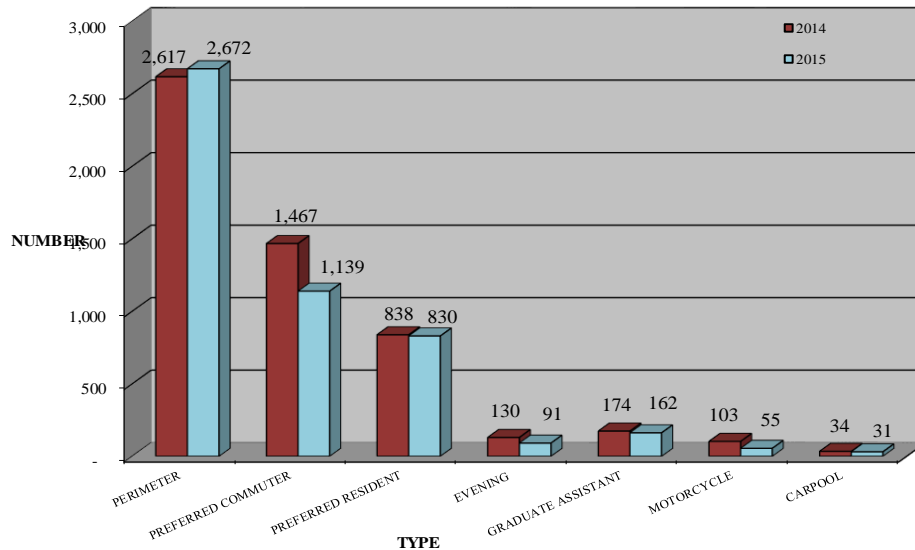

DECAL SALES

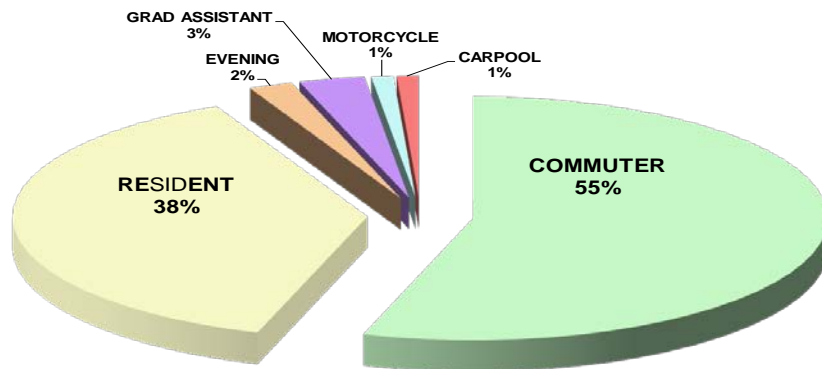

Parking Services issued 5,102 decals for the year 2015. The 398 permit decrease represents a 7% decrease over those sold in 2014. The department also issues Employee parking decals to new employees, and biennially renews parking decals for continuing employees. A total of 1,536 employee decals were issued in 2015 in comparison to 350 in 2014. 2015 was a biennial renewal year for employees.

Fifty-five percent of the decals were issued to commuter students, while 38% were issued to resident students.

DECALS ISSUED TWO YEAR COMPARISON

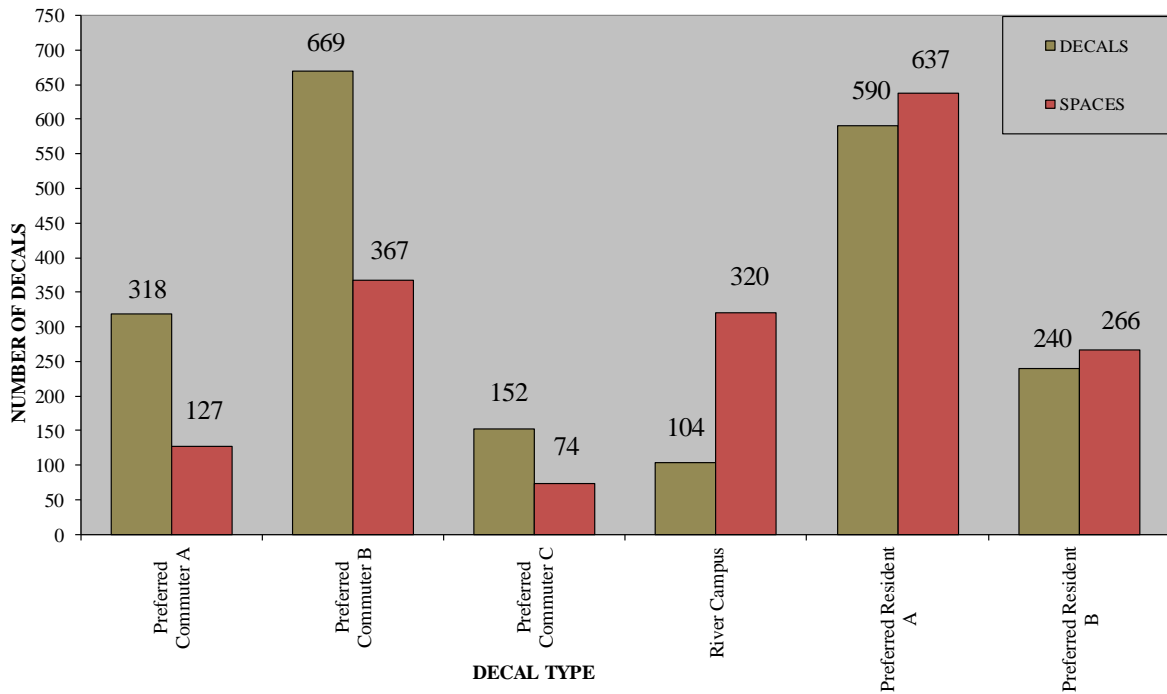

PERCENT BY DECAL TYPE

Preferred decals are issued based on a ratio of decals to spaces. During the lottery distribution, preferred commuter decals are issued at a ratio of 1.5:1 and preferred resident decals are issued on a 1:1 basis. Beginning with the first day of classes each semester, utilization audits are conducted and additional decals are issued on a weekly basis until the lot is near capacity at peak times. These audits enable Parking Services to increase distribution ratios for preferred commuter decals, without over-issuing permits.

TRANSIT SUMMARY

2015

Introduction

Transit Services

The Department of Public Safety operates a shuttle service to provide transportation from park and ride parking lots to the interior of campus, between the main campus and River Campus and accessible transportation across campus. The service is funded by the Federal Transit Administration, the Missouri Department of Transportation and Southeast Missouri State University.

Connectivity with other transit providers is an important aspect of public transportation planning. Several opportunities exist for students to plan trips to other areas of Cape Girardeau. Students can easily make connections with Cape County Transit using University shuttle routes at the Cape County Transit office at 937 Broadway, at Cape county Transit stops adjacent to the River Campus route stops and at the Transit Nexus at 950 New Madrid where the Cape County Transit north route makes a stop every hour.

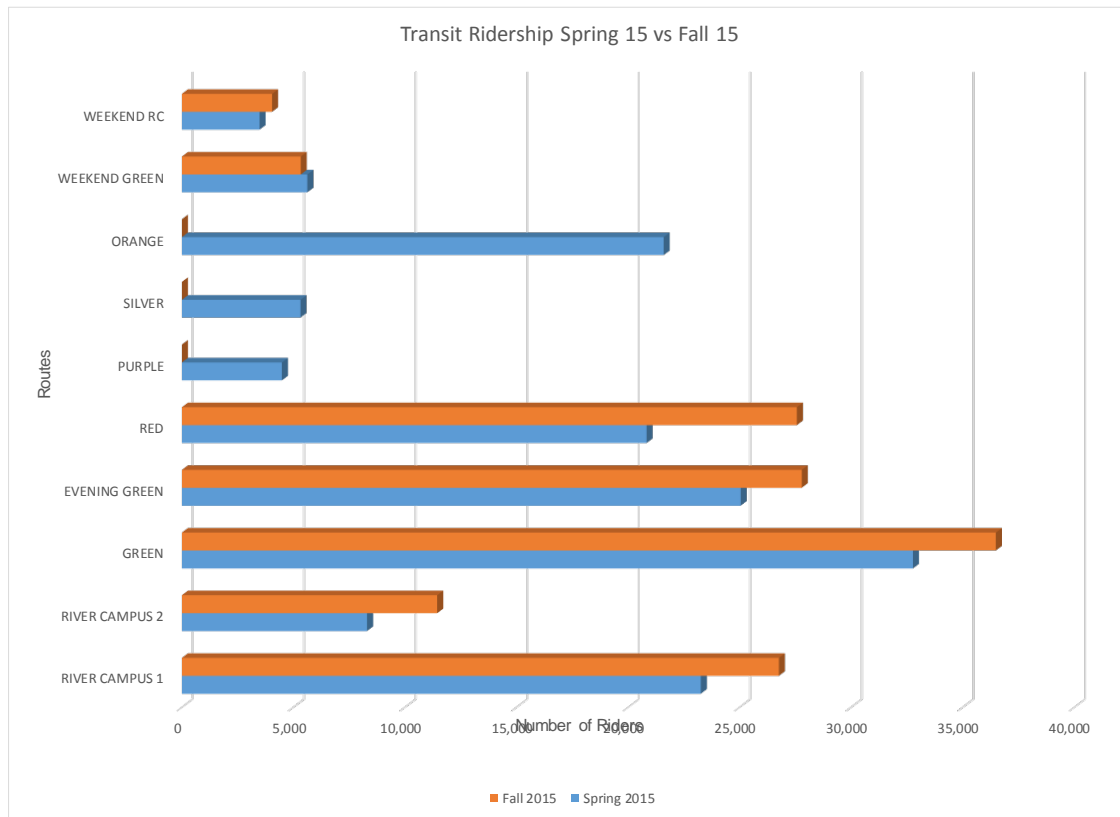

Weekday service to the main campus consists of four routes, beginning at 7:00 a.m. Evening service is provided from 5:00 p.m. until 2:00 a.m. daily, and makes stops at residence halls and campus parking lots. Weekend shuttle service operates from 10:00 a.m. to midnight.

A shuttle tracking system displays the location of Southeast's shuttles using GPS technology. The system can be accessed on Southeast's mobile application or from the University's homepage.
