WHAT ARE YOU DOING THIS SUMMER?

VOCAL ARTS BOOT CAMP

June 13-18, 2016

The Vocal Arts Boot Camp is fun and intensive training for vocal students (grades 7-12). Work on solo performance skills in classical, Broadway, and folk styles. Interested singers should have at least one year of choral or solo vocal study. Students will work to develop superior vocal techniques in individual lessons with the Southeast voice faculty. You will work in groups on acting, song interpretation, audition techniques, diction, and basic music theory and aural skills. Have fun as you become a better singer.

Join us at the beautiful River Campus, Missouri’s only campus dedicated to art, dance, music, and theatre!

Commuters: $325 Includes meals and activities
Residents: $475 Includes lodging, meals and activities
