Building Valued and Lasting Relationships through Student and Alumni Interaction to make Southeast the “University of First Choice.”

It is the Student Alumni Association’s vision to promote Southeast pride and tradition on campus, cultivate relationships between students and alumni through networking, to enhance the college experience through fun, memorable events, and to educate students regarding the importance of and need for private support at Southeast through leadership, philanthropy and service.

Find out more about the SAA below and become a part of this important student organization today!
