STUDENT GOVERNMENT

BY-LAWS

SECTION 409.03   NO. 04

Date Amended: 04/18/05

SUBJECT: Athletic Promotions Board

BY-LAW BODY

I. The Athletic Promotions Board shall have governance over the $5,000.00 allocation of the Athletic fee that is entrusted to Student Government.
   A. Any funds left in the Athletic Promotions Board Account at the end of the current fiscal year will roll over into the over-all Athletic Budget.

II. Membership
   A. The Board shall be chaired by a student member who is appointed by the Student Government President.
   B. All students are welcome to attend meetings, but may only speak if a voting representative yields their time to them.
   C. The voting membership of the Board shall be:
      1. One representative from Student Government
      2. One representative from Student Activities Council
      3. One representative from Panhellenic Council
      4. One representative from Interfraternity Council
      5. One representative from National Pan-Hellenic Council
      6. One representative from Men’s Athletics
      7. One representative from Women’s Athletics
      8. President of the Spirit Club
      9. Vice-President of the Spirit Club
D. Student may apply to represent their organization list above, but the Student Government President will make the final appointment of all members.

E. The Board shall be primarily advised by the Director of Athletic Marketing. Other ex-officio members will include:
   1. The Residence Hall Association Advisor
   2. Representative of Campus Life

III. The Student Government Accountant will work in cooperation with the Athletic Business Manager for the Athletic Promotions Account.

IV. The Board shall be governed under Robert’s Rules of Order.

V. The Board shall elect or appoint a secretary that will publish minutes for each meeting. These minutes shall be posted on the Student Promotions Board group portal page.

VI. The Board may function as a programming board with responsibilities for improving school spirit through student promotions.

VII. The Athletic Department has a commitment and responsibility to provide an adequate level of student athletic promotions. Therefore the Board shall not fund basic operation expenses, which include but are not limited to: scholarships, regular uniforms, schedule cards, or schedule posters.

VIII. Pursuant to the above stipulations, the Athletic Promotions Board, with input from their Advisor, may use these monies at their discretion to enhance student interest and participation in Athletics, and to enhance Athletics’ contributions to the campus community.
