Campus Visitor's Guide & Map

You and your family or friends are encouraged to visit on weekdays so that you may speak with an admission counselor and a faculty member in your area of interest. We recommend calling at least a week in adviance.

The University also offers several open house programs called SHOW ME DAYS. These programs, usually held on weekends, offer the opportunity to learn more about our academic majors and meet with faculty. you will be able to speak with other students and discover more about campus

Please call one week in advance to schedule a visit.
