The College of Education creates a supportive climate to help all education majors meet the rigor of teacher education. Elementary Education students have the opportunity to participate in Tomorrow’s Teachers Learning Community which links cohort learning and living opportunities. Students also receive support in preparation for the Missouri General Education Assessment required for admission. We also provide our future educators the tools to learn to use and integrate instructional technology across our curriculum. This program of study is also available at a regional campus (Kennett, Malden, and Sikeston). Join our EDvolution of future educators!

Elementary Education / Middle School Math students will...

- Be certified to teach elementary students in grades 1 – 6.
- Be certified to teach middle school math (grades 5 – 9).
- Participate in multiple field experiences in local classrooms.
- Integrate technology into the curriculum with our EDvolution one-to-one instructional technology program.
- Have the opportunity for student teaching abroad, including our partnership with Eagles College in Iquique, Chile.
- Have opportunities for leadership in our numerous student organizations.
- Have full-time faculty with experience in the classroom as their primary instructors.
- Enjoy the benefit of national accreditation of our programs.

Career Planning

The state of Missouri has high expectations for future educators. Students graduating before spring 2017 must maintain a 2.5 cumulative GPA to be recommended for licensure and must pass the relevant Praxis II or Missouri Content Exam. Students graduating spring 2017 or later must maintain a 2.75 cumulative GPA and a 3.0 GPA in both the area of content expertise and pedagogy courses. In addition, students must pass the Missouri Content Exam and the Missouri Preservice Teacher Assessment for recommendation for licensure. Students must also fulfill other assessments such as the Missouri Educator Profile and be cleared through a FBI background check.

Graduation Requirements

- GPA: 2.75 cumulative; 3.0 professional education; 3.0 social studies content
- Pass the following Missouri Content Assessments: 007 (English Language Arts subtest), 008 (Mathematics subtest), 009 (Science subtest), 10 (Social Studies subtest), and 012 (Middle School: Mathematics).
- Complete all required course work and field experiences

Education Outlook

- Students secure teaching positions across the state of Missouri, in surrounding states, and beyond.
- Elementary Education graduates who hold on Middle School Math certification find jobs as 1st – 6th grade teachers in public or private schools, as well as opportunities to teach math in grades 5 - 9.
- Placement rates are high for alumni. Math teachers are in demand, as math is a high need field.
- First year teachers report feeling well prepared by Southeast Missouri State University on our annual survey of first-year teachers.
- Principals also report elementary education graduates are well-prepared as beginning teachers.

EDvolution

All students in the College of Education must rent or purchase an iPad for use during the program.

- Tech for You: become a better student with technology
- Tech for Us: learn how to teach with technology
- Tech for Them: use technology in your field experiences

Admission Requirements To COE

- Cumulative 2.75 GPA;
- 42 hours of course credits earned;
- Missouri Educator Profile (MEP) results on file;
