B. Elective Courses (15 credit hours)

Please choose 15 credit hours from one or a combination of these categories:

- Any Subject Specialty courses
- Advanced Placement Workshops
- Teacher Education Courses
- SE680 topics in Middle and Secondary Education (PDS, must be approved by advisor)
- Autism
- Special Education

Course offerings may vary based on need, enrollment or availability.

It is the graduate student's responsibility to read the Graduate Bulletin (available online), contact their Advisor, meet the requirements and due dates toward completion of their program.

*To be taken within first nine hrs of program (see Graduate Bulletin)

**SE694 Thesis: If a student chooses this option, it will be counted as 3 of the 15 elective credit hours.

*** Contact Advisor during/after GR691 to plan toward Graduate Paper requirements. The GR691 course paper may be the springboard but is NOT considered the summative Graduate Paper for the program.
