Title of Course: Outdoor Adventure Special Topics

I. Catalog Description and Credit Hours: Special Topics in Outdoor Adventure Skills and Principles that are unavailable through the department curriculum. May be repeated for credit on different topics. (3 credit hours)

II. Prerequisites: Permission of instructor.

III. Course Objectives: To provide students with the opportunity to gain skills and knowledge regarding a variety of areas of outdoor adventure.

IV. Expectations of Students: A. Students will participate in all class meetings and are expected to have completed pertinent assignments prior to class meetings. B. Students will be expected to fully participate in experiential laboratory and out-of-class experiences as described by the course outline at the beginning of the semester. C. Students will achieve satisfactory grades on tests, reports, journals, class activities, and other assignments.

V. Course Content: Each outdoor adventure topics course will have its own course outline which will be submitted in advance for departmental approval.

VI. Textbook: Textbooks and related materials will be selected by the instructor who prepares the topics courses.

VII. Basis for Student Evaluation: Evaluations of the student will be determined by the instructor preparing the course and will be included in the individual outline proposal submitted for approval to the department.
