

**DEPARTMENT OF AGRICULTURE
BACHELOR OF SCIENCE
AGRIBUSINESS MAJOR
AGRICULTURE INDUSTRY OPTION
Effective Fall Semester 2009**

The BS in Agribusiness/Agriculture Industry Option prepares students for positions in management, sales, marketing, finance, policy, and related areas in the agricultural and food system. It can also provide the basis for graduate work leading to a MBA, MS, or PhD. This option is designed for students who complete all four years at Southeast and for students transferring to Southeast with either an AA degree or an AAS in an agricultural or horticultural field.

<input type="checkbox"/> AY 101 Animal Science	3
<input type="checkbox"/> HO 130 Plant Identification and Use I	3

AGRICULTURE INDUSTRY OPTION (30 Hours)

Agriculture Electives, chosen in consultation with advisor

Select from the following prefixes:

AG, AO, AY, HO

May also include approved transfer classes from AAS degree in an agricultural or horticultural field.

Must include at least 8 hours of 300-, 400- or 500-level classes

SUGGESTED PROGRAM OF STUDY
BS in Agribusiness/Agriculture Industry
Effective Fall Semester 2009

The suggested program rotation below does not include AG-465 Agriculture Internship or AG 469 Undergraduate Research even though one of these is required for graduation. These experiential-learning courses are often completed during a summer term, which is how the following class-rotation schedule is presented. Adjustments can be made depending on student internships and other factors that require variations. Adjustments should be made in collaboration with your academic advisor. This program is designed for students who complete all four years at Southeast. Transfer students should consult the Transfer Handbook developed by Southeast and your community college for a suggested program of study appropriate for your situation, or consult with Southeast advisor.

FRESHMAN FALL SEMESTER (15 hrs)

AO 120/125 Plant Science (4)
AY 101/105 Animal Science (5)
EN 100 English Composition (3)
UI 100 First Year Seminar (3)
CL001 Career Linkages 1st Requirement

FRESHMAN SPRING SEMESTER (15 hrs)

AG 245 Agricultural Economics (3)
MA 134 College Algebra (3)
HO 130 Plant ID and Use I (3)
AD 101 Intro to Microcomputer Applications (3)
Development of a Major Civilization (3)
