“Why choose Southeast for your graduate degree in Elementary Education?”

Recognized Excellence: Southeast Missouri State University is again on the 2015 U.S. News Best Colleges Rankings for institutions in the Midwest. Southeast is also fully accredited by the North Central Association of Colleges and Schools and the National Council for the Accreditation of Teacher Education. In addition, the College of Education has received national recognition for excellence from the National Association for the Education of Young Children (NAEYC), Council for Exceptional Children (CEC), & Association for Childhood Education International (ACEI). This recognition highlights the College of Education's commitment of providing education of the highest quality and standards to students.

Mo DESE Recognized: The Missouri Department of Elementary and Secondary Education (DESE) has approved all of our teacher education programs since the inception of its evaluation process.

Affordable and Convenient: Graduate education at Southeast is guaranteed quality at an affordable price. All courses are online, with the option of a research course that is blended (online and limited class meetings).
