*NOTE: Technical elective courses are those with a CM, EG, EP, ET, EV, FM, GM, IM, MN, TG, or TN prefix and any exceptions approved by the department. Courses within the Technology Management Core CANNOT count toward these electives. No more than 24 hours are allowed in any one area. It is important to meet with an advisor to ensure prerequisites are met for planned upper-level courses.

*Many major courses are on a set rotation and thus dependent on when prerequisite courses are completed. The actual semester a course is taken may vary based on the rotation.

Degree requirements for all students: a minimum of 120 credit hours, completion of the General Education program, and completion of 39 senior division hours (300-599). Refer to the Undergraduate Bulletin or Degree Works for additional graduation requirements for your program.

A minimum 2.00 GPA in the major and overall are required to graduate with a BS degree.
