REVISE THE PROCEDURES SECTION FOR “RESEARCH INVOLVING HUMAN SUBJECTS”

BE IT RESOLVED THAT: subject to the passage and approval of both this bill and its companion bill revising the corresponding “policy” section, Chapter 3, ~~Section D9~~ of the *Faculty Handbook* be amended by replacing the existing content with the following “procedure” section (to follow the companion “policy” in the *Faculty Handbook*).

~~The terms of membership for the IRB members shall be three years, staggered to ensure an orderly rotation of members. Because members are required to undergo extensive training regarding federal rules and procedures, they shall not be limited to serving only one three-year term. Members may, however, not exceed two consecutive three-year terms, but may be reappointed following a one-year hiatus. The Dean of the School of Graduate Studies shall not be subject to any term limit. In addition to the above voting members, the IRB may also invite the participation of an undefined number of non-voting liaisons to assist it. A quorum of the Board shall be defined as a majority of its total voting membership.~~

Duties of the IRB

~~It shall be the responsibility of the IRB to develop procedures for the submission and review of proposals for research involving human subjects so as to implement the policy established in this section. The IRB is authorized to develop its own internal operating procedures not inconsistent with this section or with federal law or procedures.~~

The IRB shall maintain a web page or similar mechanism to make available to the University community ~~to list the charge, composition, meeting schedule, and procedures to follow for approval of a proposed study,~~ the appropriate forms, guidelines, etc. to be used when seeking approval for research involving human subjects. At least annually, the IRB shall issue a report on its activities to the Provost, with a copy provided to the Faculty Senate.
