

## **Johnson Faculty Centre Governing Committee: End of Year Report; AY 2021-2022**

### **Members**

Kim Louie (Chair): Humanities and Social Sciences

Amy Moore: Education, Health, and Human Studies

Henry Clark: Science, Technology, Engineering, and Mathematics

Yvonne Randolph: Business and Computing

Bart Williams: Arts and Media

No member: Kent Library

### **Report**

The committee met to discuss the remaining budget available for renovations to the JFC. A request was placed to Facilities Management to get an estimate for two of the windows near the front door and various tuck points to be repaired. Facilities Management has inspected the JFC but has not returned an estimate on those items. Once the committee has the estimate, it will decide if there is enough money to proceed with the renovations.
