Admission decisions are made without regard to race, color, creed, gender, disability or national origin.

Applicants for admission must complete an admission application and return it with a \$30 non-refundable application fee. Applicants must also request that their high school counselor and the registrar of each college attended send complete official transcripts to the Office of Admissions. No student is officially admitted until all high school and college transcripts are reviewed and the Office of Admissions evaluates the official results of the student's college entrance exam(s) (ACT or SAT).

Students interested in applying for the fall semester are urged to apply through the early admission process. Applications should be submitted to the Office of Admissions no later than December 1 to take advantage of certain scholarship and enrollment privileges. For students who do not take advantage of early fall admission, applications for the fall semester should be submitted prior to July 1. Applications for the spring semester should be submitted prior to November 1, and applications for the summer semester should be submitted prior to May 1. Contact the Office of Admissions for specific details. Admission to the University does not guarantee admission to specific programs.

Applicants for admission are asked to disclose details of previous civil or college discipline. The Office of Admissions and the Office of the Dean of Students will review information provided by the applicant and may request additional information and a personal interview with the applicant prior to reaching an admission decision. The University reserves the right to deny admission to an applicant or admit with restrictions based upon the review. Misrepresentation of the facts or failure to provide requested information could be cause for refusal of admission, cancellation of admission or suspension from the University.

ADMISSION OF FIRST YEAR STUDENTS (Freshmen)

Applicants who have graduated from an accredited high school will be considered for admission to the University. Minimum admission requirements are based on class rank and ACT/SAT assessment standards as well as high school grade point average. Additionally, applicants must complete the required high school core curriculum in effect at the time of admission.

Applicants must complete at least 17 units of preparation in high school including four units of English (two emphasizing composition or writing skills; composition, English I-IV, literature and one unit of speech or debate

Applicants who are seeking admission to a Southeast regional campus but do not meet the regular admission requirements may enroll at a regional campus through the Step Up to Southeast admission program.

Applicants who are classified as non-traditional are not required to take any testing for admission. High school transcripts with proof of graduation or high school equivalency (GED, HiSET) must be submitted. For additional information, contact the Office of Admissions.

Students who do not meet admission requirements may appeal to the Director of Admissions. The Director of Admissions and/or the University Student Affairs Committee will make the final decision regarding admission appeals.

ADMISSION OF RETURNING STUDENTS

Undergraduate students who previously attended Southeast Missouri State University but have been away for one full semester, excluding summer, must apply for readmission. Students applying for readmission should submit the Returning Undergraduate Application for Admission. In addition, official transcripts from all colleges attended since the last semester of enrollment at Southeast must be sent to the Office of Admissions. Readmission to Southeast is dependent on academic performance.

ADMISSION OF TRANSFER STUDENTS

Applicants from regionally accredited colleges or universities who have completed 24 transferable semester hours with a cumulative transfer grade point average of 2.0 or higher on a four point scale are considered for admission upon presentation of official transcripts showing statements of credits and honorable dismissal. Applicants who have completed fewer than 24 transfer-

able semester hours must also meet First Year Student admission requirements.

Transfer students under temporary or limited academic suspension from another college may be considered for admission to the University only after the suspension period has been satisfied. Transfer students under indefinite academic suspension from another college are considered for admission only if they appeal to the Director of Admissions and the University Student Affairs Committee and the appeal is granted. For specific information about academic standing, refer to the heading Academic Standing under Academic Policies and Procedures. Appeals must be received no later than one month before the start of the term for which admission is requested. Letters of appeal must include the applicant's assessment of the reason for earning below average grades and how the applicant plans to overcome past difficulties if accepted.

Logan College, Kaskaskia College, Lewis and Clark Community College, Rend Lake College, Shawnee College, and Southeastern Illinois College in Illinois, with West Kentucky Community and Technical College in Kentucky, with Dyersburg State Community College in Tennessee, and with Kolej Damansar Utama, INTI, and RIMA Colleges in Malaysia. These agreements state that transfer students will be given every possible advantage, within the limits of the agreements, when transfer credit is evaluated.

Credit Accepted. Credit from other institutions is accepted only to the extent that it counts toward a transfer degree in the institution where it was earned. Ordinarily, vocational/technical courses will not be transferable.

Transfer Credit Appeals. A student has the right to appeal a denial of transfer credit from an accredited Missouri college or university. Questions about awarding of transfer credit should first be addressed to the Office of the Registrar. If the student's appeal is denied by the Registrar, a student may petition the University Student Affairs Committee to review the appeal. If the student's petition is denied by the University Student Affairs Committee, an appeal may be made to the Provost of the University. The Provost is the final level of appeal within the University. A student whose appeal is denied by the Provost may appeal to the state-level committee on articulation and transfer. Appeal requests must state in writing the reason for the appeal and be

sent to: Commissioner of Higher Education, Coordinating Board for Higher Education, 3515 Amazonas Drive, Jefferson City, MO 65109.

International students with transferable hours from another college or university are responsible for providing the University with official transcripts for all postsecondary education, as well as official course descriptions. If the originals are not in English, certified English translations are also required for credit to be considered. Students are responsible for obtaining the required translations of the degree, transcripts and course descriptions.

Foreign Language Credit: Non-native speakers of English who are pursuing a degree that requires study of a foreign language may request their native language satisfy their requirement. Students should contact the Department of Global Cultures and Languages for information and to obtain a waiver of the requirement.

Admission as an International Visiting/Exchange Student: International students in good standing who plan to participate in an official study abroad or exchange program at the University for one year or less are admitted as visiting students through the Office of International Education and Services. The process includes: (1) Complete the Application for International

Visiting/Exchange Student Admission; (2) Submit statement of English proficiency from the sending institution or partner, or submit official TOEFL iBT of 61 or IELTS of 5.5. Graduate applicants who do not have the required IELTS or TOEFL may be given conditional admission, whereby they must complete the graduate level of IEP with a grade of 'B' or higher prior to beginning graduate study. Additionally, individual departments may offer conditional admission to students also lacking the required GRE or GMAT; if so, missing scores must be submitted prior to beginning graduate study.

SPECIAL ADMISSION

ADMISSION TO ATHLETIC TRAINING EDUCATION PROGRAM

Admission to the Athletic Training Education Program (ATEP) is competitive and selective. Completion of the application standards does not guarantee admission into the ATEP. Final admission into the program rests with the decision of the ATEP Selection Committee. Enrollment in the ATEP is typically limited to 20 students per academic year. The ATEP does institute a Conditional Acceptance Policy. This policy allows a candidate to be considered for entry into the ATEP despite not meeting all requirements because of unusual and/or extenuating circumstances which may have potentially affected their application process.

Successful completion of the ATEP is necessary for the completion of the Athletic Training major. Students interested in entry into the ATEP are considered Pre-Athletic Training majors and must:

Complete the following courses with a grade "C" or better by the end of the semester of application: HL 251, HL 280, MA 134 or higher, EN 140, PY 101, BS 113, and BS 114. HL 251 and 280 must be taken through Southeast Missouri State University. HL 280 includes observation hours (non-patient care) completed under the direct supervision of a preceptor. Students will be evaluated throughout the observation hours.

1. Provide verification of a minimum cumulative grade point average (GPA) of 2.50 by the end of the semester of application.
2. Provide proof of current First Aid, CPR, and AED certification.
3. Demonstrate the ability to meet the technical standards for admission including a signed technical

standards form and a current physical examination (see ATEP website for more information).

10. Submission of the completed ATEP application.

The ATEP application is DUE on or before **April 1st** by noon to the ATEP Director's office located in Parker Hall 215F. Following admission into the ATEP, completion of the program requires a minimum of five consecutive semesters.

ATEP Admissions Grievance Policy. Students will be notified in writing by the ATEP Director regarding the admission decision. Communication regarding the decision of the Selection Committee can only occur directly with the student in question unless he/she has provided written permission to discuss the content with a third party. Students are given the opportunity to discuss the rationale of the Selection Committee with the ATEP Director. If a student is not satisfied with the explanation of the decision, he/she may request a review of the objective selection criteria by the Chair of the Department of Health, Human Performance and Recreation. An official request for review must be received in writing by the Department Chair within ten business days from the mailing date of the admission decision letter.

ATEP Policy on Retention. Matriculation clause: All ATEP courses must be completed in the original curriculum sequence. To advance in the course sequencing, students must earn a "C" or better in all required coursework within the major. A student failing to earn a "C" or better within the major will not matriculate into more advanced coursework until the grade is improved.

Other Non-Academic Retention Criteria:

ADMISSION TO NURSING PROGRAM

Students seeking a Bachelor of Science Degree in Nursing should select "pre-nursing" as their area of interest and begin taking the courses and/or University Studies (US) categories listed below. Their assigned advisor will assist in selecting the best sequencing of these courses. The academic advisor will also furnish deadlines for admission materials to be submitted to the Department of Nursing. Applicants will be required to have completed all 59 prerequisite hours or to be enrolled in any of the still remaining courses at the time of application. These 59 prerequisite hours must be completed before beginning nursing coursework.

Students with extraordinary circumstances, who have not completed all of the University Studies requirements or nursing prerequisites other than science courses, may appeal to the Department of Nursing's Student Affairs Committee for an exception to the above policy. Those students, however, must be able to complete "outstanding" courses in the summer semesters occurring within the timeframe of their curriculum (one summer for fall admissions, two summers for spring admissions). Students who have 59 prerequisite hours or are enrolled in these courses will be more competitive during the admission process.

Students must have earned a minimum cumulative grade point average (GPA) of 2.80, and a "C" or higher in required courses listed below.

The Missouri Board of Nursing limits admissions to 35 students each semester; therefore, admission is competitive and is based on meeting all prerequisites and GPA, with required science courses given additional weight.

Courses/Categories requiring a minimum grade of 'C':

- Anatomy & Physiology I & II
- Chemistry (CH180 fulfills University Studies Physical Systems requirement)
- Microbiology
- Nutrition (FN235 fulfills University Studies Living Systems requirement)
- Psychological Development Across the Lifespan (PY220 fulfills University Studies Behavioral Systems requirement)
- Statistical Reasoning (MA155 fulfills University Studies Logical Systems requirement)
- Written Expressions (University Studies Course)

Students may access the department web site at <http://www.semo.edu/nursing/> for complete information, or contact the Department of Nursing directly.

Students who wish to qualify for admission and progression in the nursing program must meet performance requirements, as well as academic requirements. Performance requirements include cognitive, sensory, affective, and psychomotor competencies. A student must, with or without reasonable accommodations, satisfy these requirements. Potential students may access these performance requirements via the BSN Student Handbook on the Department of Nursing web site and review "Other Specific Nursing Program Policies."

A nursing student who drops an NC or NS prefix course must also drop the course with the corresponding course number. (For example, if a student drops NC 371, s/he must also drop NS 371; if the student drops NS 371, s/he must also drop NC 371.)

A student who receives a grade below a "C" in an NC or NS prefix course may not continue in the nursing program. However, he/she may apply for readmission. Students desiring readmission must address a letter of petition to the Department of Nursing Student Affairs Committee prior to the requested date of enrollment, must meet all current criteria for admission, and must have completed requirements and prerequisites for the requested level of entry. Readmission is dependent on record review, program space, and evidence that successful progress can be made toward degree completion. Students receiving a failing grade in any NC (clinical) prefix course must repeat and pass that course prior to enrolling any other nursing course, and must simultaneously audit the corresponding NS (theory) prefix course, even if a passing grade was received in the NS prefix course. If a student fails a second NC or NS prefix course, including a repeat of the previously

failed course, he/she cannot continue in the nursing program and will not be eligible for admission at any time thereafter.

Transfer Students. Admission of transfer students is on a competitive basis. Students who seek to be admitted by transfer must meet all University and department requirements, have completed all prerequisite courses, and must supply transcripts and course descriptions of previous coursework in nursing.

Licensure. To write the National Council Licensure Examination for Registered Nurses (NCLEX-RN) the applicant "shall be of good moral character and have completed at least the high school course of study, or the equivalent thereof as determined by the state board of education, and have successfully completed the basic professional curriculum in an accredited school of nursing" (Section 335.046 - State of Missouri Nursing Practice Act).

Completion of the nursing education program does not guarantee eligibility to write the NCLEX. (Section 335.066, Missouri Nursing Practice Act) The full text of this section may be found on the Department of Nursing website and in the BSN Student Handbook online. The Missouri State Board of Nursing requires fingerprinting and a criminal background check for every applicant three months prior to graduation.

Legal Limitations for Licensure. The Missouri State Board of Nursing, based on the Missouri Nursing Practice Act, Section 335.066 may refuse to issue a license based on a criminal prosecution prior to admission or during the curricular sequence for the nursing program. Students found to be convicted of serious crimes (felonies or substance abuse) will be reviewed by the Student Affairs Committee and may be suspended from or denied admission to the nursing program.

Non-English Speaking Student Policy. Any student wishing to declare nursing as a major, whose native language is not English, is required to take the TOEFL. The TOEFL score cannot be more than two years old. Minimum scores for admission to the Department of Nursing at Southeast Missouri State University are 100 cumulative score, and no less than 20 on individual scores for speaking, writing, reading and listening. Students with less than this required score are encouraged to obtain information about remediation with the Office of International Education and Services at (573)986-6863. Students, whose native language is not English, who wish to transfer from another academic institution must show evidence of the required scores, or take the TOEFL prior to making application to the Department of Nursing for admission.

The student whose native language is not English is required to meet all other admission requirements of other students applying for admission to the nursing program.

Registered Nurse Students. Registered nurses who graduated from an associate degree or diploma nursing program may apply to the RN-BSN Online Program. All degree requirements including both nursing and non-nursing courses are offered online. Nursing courses that require a field experience may be completed in the students' geographical location where they hold an RN license and have an approved RN preceptor. Guidance is given by the course instructor by communicating online with the RN student and preceptor. Qualified students who are RN's and hold a GPA of 2.80 or better are admitted every fall and spring semester until the class is full. Once RN-BSN students are enrolled in their final semester of the program, an additional 34 hours of baccalaureate nursing credit will be added to their transcripts. Both nursing and non-nursing courses completed at a prior college or university are included in the total number of credits earned.

Registered nurse students should contact the Department of Nursing for specific curriculum information or access <http://www.semo.edu/nursing/rn/index.htm>.

Payment of Account Balances. Students are required to pay their account balances by published due dates using one of the following methods: (1) Payment in full; (2) Deferral by confirmed financial aid; (3) Enrollment in and first payment of an installment payment plan. A statement is mailed monthly to each individual with a balance due the University. Students must pay all outstanding balances before being able to enroll, obtain a class schedule, receive a transcript or receive other University services. Students are obligated to promptly pay all charges owed, including all reasonable attorney fees and collection costs (not to exceed 40 percent). Payments must be received by the Cashier's Office by the end of the business day on the payment due date. Past due balances may result in late payment fees and possible class cancellation and housing contract cancellation. More information is available at <http://www.semo.edu/sfs/>.

Installment Payment Plan. Southeast offers several Installment Payment Plan (IPP) options.

<u>Payment Option</u>	<u>Non-Refundable Enrollment Fee</u>
2 Payments	\$15.00
3 Payments	\$20.00
4 Payments	\$25.00

Enrollment in the IPP is required for each semester the student wishes to utilize this payment option. Students may enroll in one of the payment options:

1. in person at the Cashier's Office;
2. by indicating their choice on their Statement of Account and Class Schedule form and returning the form, along with appropriate payment, to the Cashier's Office;
3. by phone (payment via MasterCard, Visa or Discover) to Student Financial Services; or
4. on-line via the Southeast Portal.

All IPP's must be completed (including sufficient payment) by the established payment due date in order to avoid late fees and/or possible class cancellation.

The IPP will calculate all current semester charges for the installment amounts. Installment amounts will vary from month to month based on actual charges the student incurs prior to each payment due date. The first payment of each plan must include the first installment, plus associated costs to enroll in the specific plan, plus any prior semester charges. Past-due charges cannot be placed on the IPP but must be paid on or before the time the IPP enrollment is submitted.

Please visit our website at <http://www.semo.edu/sfs/> for additional information regarding the different payment options we currently offer, or contact Student Financial Services at (573) 651-2253 with any questions.

Financial Probation/Suspension/Withdrawal. If a student's account is past due, the student may be placed on Financial Probation. When, after University efforts to notify the student of Financial Probation, the student does not take appropriate action to pay delinquent charges, the student may be placed on Financial Suspension. Once placed on Financial Suspension, the student is ineligible to attend classes, take examinations, receive grades, or participate in University-sanctioned events.

If the delinquent charges that caused the Financial Suspension are not resolved by a specific date established by the Student Financial Services Office, the student will be administratively withdrawn from the University. In this instance, the student will not receive any academic credit for the term although all charges remain due to the University.

Refunds. Students can withdraw from the University or drop specific classes using the web registration system until the published “Last Day to Drop a Class,” after which, students must contact the Office of the Registrar. The effective date of the withdrawal/dropped class is the date of deletion of the class(es) from the student’s record.

For students withdrawing/canceling all classes, refunds for credit balances will be processed approximately three weeks after the withdrawal is processed. Students must complete a “Request for Refund of Credit Balance” form (available in Student Financial Services) in order to initiate the process of a refund. All balances due the University will be deducted before a refund is issued.

The University is required by Federal regulations to return all or a portion of the federal funds received for students who withdraw completely after receiving Title IV financial aid. (i.e. federal student loans, Pell Grants, Perkins Loans, etc),based on the University’s last documented date of class attendance. In some cases the return of those funds may result in an unpaid balance on the student’s account for which the student is responsible.

Should you have questions regarding the return of Federal Title IV funds from your account, contact Student Financial Services at (573) 651-2253.

Based on the withdrawal/dropped class effective date, the following refund schedules for fees will apply:

16-week Session (fall/spring)/ 12-week Session (summer)	Percentage of Fee Refunded
Through the first week of the semester	100%
Second week of the semester	70%
Third week of the semester	60%

After the fourth week of the semester	0%

Six and Eight Week Sessions (Fall/Spring/Summer)	Percentage of Fee Refunded
Through the first Friday of the session	100%
Through the first day of the second week of the session	70%
Remainder of second week of the session	50%
After the second week of the session	0%

Four-Week Sessions (Wintersession/Summer)	Percentage of Fee Refunded
Through the first two days of the session	100%
Remainder of the first week of the session	50%
After the first week of the session	0%

For additional information regarding refunds and withdrawals, please visit <http://www.semo.edu/sfs/balances.htm>

Refund appeals for exceptional circumstances must be directed in writing to Student Financial Services; attn: Student Accounts. The letter should accompany the “Appeal Form for Tuition, General and Course Fees of Dropped Classes” (available in Student Financial Services). This appeal must be submitted prior to the beginning of the next academic term, e.g., fall appeal must be filed by the beginning of the spring semester.

Direct Deposit Program. All credit balance refunds on student accounts are eligible for direct deposit. A refund resulting from excess financial aid or overpayment of the student account will be transferred automatically to the student’s checking account. The direct deposit bank account information will remain on the student’s account until it is removed or for approximately one year after the last date of attendance. If there is a change in account numbers or the account is closed, the student must update/stop the direct deposit bank account information through the Account Summary on the Southeast Portal (<http://portal.semo.edu>).

Authorize Access to Your Account. Students may grant access to their online account to multiple users – parents, spouse, guardian, etc. – through the Southeast Portal (portal.semo.edu) Account Summary access. Options to edit or remove authorization are also available.

ACADEMIC POLICIES AND PROCEDURES

ABSENCE FROM CLASS

Students are expected to attend all classes and to complete all assignments for courses in which they are enrolled. An absence does not relieve the student of the responsibility to complete all assignments. If an absence is associated with a university-sanctioned activity, the instructor will provide an opportunity for assignment make-up. However, it is the instructor’s decision to provide, or not to provide, make-up work related to absences for any other reason.

A student not present for class during the entire initial week of a scheduled course may be removed from the course roster unless the student notifies the instructor by the end of the first week of an intention to attend the class. Questions regarding the removal process should be directed to the Registrar.

Attendance is required at all class meetings of developmental courses. (See Developmental Courses.)

ACADEMIC FRESH START POLICY

The Academic Fresh Start policy is an appeals procedure that allows a student returning to Southeast Missouri State University after a prolonged absence to request academic forgiveness of prior cumulative grade point average (GPA). The policy is designed for undergraduate students who have gained maturity outside of higher education and have demonstrated acceptable academic performance following their return. The granting of an Academic Fresh Start is subject to the following conditions:

1. Academic Fresh Start applies only to returning undergraduate students who had previously completed 30 or fewer semester hours and have had an absence of at least three calendar years from any post-secondary institution.
2. Academic Fresh Start will affect all courses (including transfer credit) taken prior to the three-year absence. It may be elected only one time and is irrevocable.
3. A minimum of 12 semester hours of graded courses with a GPA of 2.0 must be completed after returning to Southeast before an Academic Fresh Start may be requested. For purposes of consideration for Academic Fresh Start, degree and non-degree credit courses will be used to compute GPA. No requests will be considered after the student's first application for a baccalaureate degree.
4. The student must submit a written request to the Office of the Registrar. The request must have written approval of the student's advisor or designee.
5. Upon the approval of the University Registrar, the student will be granted an Academic Fresh Start. The student's permanent academic record will remain a record of all coursework completed, including transfer credit recorded on the permanent academic record. Courses taken prior to the three-year absence will not be used in computing GPA and CANNOT be used to meet any requirements (e.g., degree, prerequisite, certification).

NOTE: Academic Fresh Start is a policy of Southeast Missouri State University and may not be recognized by outside agencies or other institutions.

ACADEMIC HONESTY

Academic honesty is one of the most important qualities influencing the character and vitality of an educational institution. Academic misconduct or dishonesty is inconsistent with membership in an academic community and cannot be accepted. Violations of academic honesty represent a serious breach of discipline and may be considered grounds for disciplinary action, including dismissal from the University.

Academic dishonesty is defined to include those acts which would deceive, cheat, or defraud so as to promote or enhance one's scholastic record. Knowingly or actively assisting any person in the commission of an above-mentioned act is also academic dishonesty.

Students are responsible for upholding the principles of academic honesty in accordance with the "University Statement of Student Rights" found in the undergraduate or graduate bulletin. The University requires that all assignments submitted to faculty members by students be the work of the individual student submitting the work. An exception would be group projects assigned by the instructor. In this situation, the work must be that of the group. Academic dishonesty includes:

Plagiarism. In speaking or writing, plagiarism is the act of passing someone else's work off as one's own. In addition, plagiarism is defined as using the essential style and manner of expression of a source as if it were one's own. If there is any doubt, the student should consult his/her instructor or any manual of term paper or report writing. Violations of academic honesty include:

1. Presenting the exact words of a source without quotation marks;
2. Using another student's computer source code or algorithm or copying a laboratory report; or
3. Presenting information, images, judgments, ideas, or facts summarized from a source without giving credit.

Cheating. Cheating includes using or relying on the work of someone else in an inappropriate manner. It includes, but is not limited to, those activities where a student:

1. Obtains or attempts to obtain unauthorized knowledge of an examination's contents prior to the time of that examination.
2. Copies another student's work or intentionally allows others to copy assignments, examinations, source codes or designs;
3. Works in a group when she/he has been told to work individually;

4. Uses unauthorized reference material during an examination; or
5. Have someone else take an examination or takes the examination for another.

General Responsibilities for Academic Honesty. It is the University's responsibility to inform both students and faculty of their rights and responsibilities regarding such important matters as cheating and plagiarism. Most of what is considered unethical or dishonest behavior can be avoided if faculty and students clearly understand what constitutes such practices and their consequences. The University community should also be aware of the procedures to be followed should a breach of academic honesty occur.

The faculty member is responsible for clarifying to his or her classes of those standards of honesty for class assignments or functions where such standards may be unclear or when such standards vary from the accepted norm. Further, some faculty may choose to utilize preventive measures (multiple exams, alternate seating, etc.) to help insure the maintenance of academic honesty. However, the use of such measures is the prerogative of the individual faculty member and is not a responsibility or requirement of faculty in general.

The fundamental responsibility for the maintenance of honesty standards rests upon the student. It is the student's responsibility to be both familiar with the University policy on academic honesty and to uphold standards of academic honesty at all times in all situations.

Protocol for Adjudicating Alleged Violations of Academic Honesty. Faculty members who discover evidence of academic dishonesty should contact the student within five business days of discovering the alleged dishonesty to arrange to meet and discuss the allegation. Prior to this meeting the faculty member may consult with the Department Chairperson, the appropriate Dean, and the Office of Judicial Affairs. The following sections describe the procedures to be adhered to in each of the listed instances: the student acknowledges the violation, the student denies the violation, and the appeals process. If the faculty member is the Department Chairperson, a departmental designee will assume the Department Chairperson's role in this protocol and references to the Department Chairperson should be read as departmental designee. The procedures below should be followed with online, ITV or face-to-face classes.

Informal Resolution When Student Acknowledges the Violation

1. The faculty member will meet with the student suspected of engaging in academic dishonesty. Faculty for online courses will contact students

via email with copies of the assignment under review attached.

2. If the student acknowledges the act of academic dishonesty, the faculty member will resolve the issue informally or move to the first step of the Procedure for Formal Resolution. Students enrolled in ITV or online courses who fail to respond to electronic correspondence from the faculty within five (5) business days will either receive academic sanctions or be referred for a formal hearing.
3. The faculty member has the discretion to determine the course of action after conferring with the student and may either excuse the student based on the facts or impose an appropriate sanction. If the faculty member considers the student's actions not to be an egregious violation of the academic honesty policy or his or her action resolves the matter, then the matter is resolved.
4. In imposing a sanction or sanctions, faculty members must adhere to the grade sanction policy, if any, as described in the faculty member's course syllabus. A faculty member's grade sanction policy may not include permanent removal of the student from the course or suspension or expulsion from the University.
5. If a faculty member's course syllabus does not include a grade sanction policy, a faculty member may impose one or more of the following sanctions: require the student to redo the work, fail the student on the work, or require the student to receive additional instruction as provided by the University Library, Writing Center, or other University resources.

Informal Resolution When Student Does Not Acknowledge the Violation or Does Not Accept Faculty's Sanctions

1. If the student does not acknowledge the violation or believes the faculty's sanctions are excessive, he/she can request a formal hearing.
2. Upon requesting formal hearing the student will follow Procedure for Formal Resolution.

Formal Resolution When Student Acknowledges the Violation and Faculty Refers for Judicial Action:

1. Faculty member determines whether the violation warrants referral to the department chairperson for judicial action.
2. If the faculty member believes that the violation warrants judicial action, notification should be provided to the student and the faculty member's chairperson within five (5) business days following the initial faculty-student discussion.

3. The Department Chairperson shall submit written notification (utilizing the approved form) to the appropriate dean and the Judicial Coordinator, with a copy to the student, within five (5) business days of receiving the faculty notification.
 4. Within five (5) business days after receiving notification from the Department Chairperson, the Judicial Coordinator will schedule a judicial conference to address the charge (assign sanctions) of academic dishonesty. The Judicial Coordinator will immediately initiate written contact with the student enrolled in online or ITV courses per electronic correspondence.
 5. In addition to being required to complete the sanction or sanctions imposed by the faculty member in accordance with the guidelines in the Procedure for Informal Resolution When Student acknowledges the Violation, the student will be placed on Disciplinary Probation at least through the next semester in which the student is enrolled at Southeast Missouri State University. If the student is not in good disciplinary standing, the Judicial Coordinator will follow the Code of Student Conduct to determine the appropriate disciplinary sanction.
 6. In addition to the original faculty sanctions, the Chair can impose additional sanctions in accordance with the guidelines in the Procedure for Informal Resolution When Student Acknowledges the Violation.
 7. The Department Chair may recommend failing the course, suspension or expulsion if he/she believes the incident warrants more severe action than Disciplinary Probation. These recommendations, along with supporting documentation, will be shared in writing with the appropriate Dean and Judicial Coordinator (with a copy to the Dean of Students).
 8. The Judicial Coordinator will review documentation, meet with the student, and impose sanctions as warranted.
2. Within five (5) business days after receiving the written summary of the incident from the faculty member, the Department Chairperson will contact the faculty member and the student to arrange a formal hearing. The formal hearing will be conducted within two weeks of notification. The Department Chairperson will also notify the Judicial Coordinator of the formal hearing as soon as it is scheduled.
 3. For online or ITV courses, the Department Chairperson will notify the student of the formal hearing via email. The student will be given five (5) business days to respond to the Department Chairperson's notification.
 4. The Judicial Coordinator will immediately initiate written contact with the student to review the student's rights in the judicial process, the allegations against the student, and the hearing procedures. The Judicial Coordinator will inform the student that he or she may select a person of the student's choosing to accompany him or her to the formal hearing. Such a person may act only in an advisory capacity during the formal hearing. Students in online or ITV courses may have this advisory person review the evidence and the student's response.
 5. The Department Chairperson shall consult with the Judicial Coordinator or the Dean of Students regarding the student's due process rights before proceeding with the formal hearing.
 6. The hearing will be conducted by the Department Chairperson in accordance with the standards provided in the University's "Code of Student Conduct" found in the Student Handbook. For students enrolled in online or ITV courses, the Department Chair will send the evidence to the student electronically. The student will be given five (5) business days to respond to the email. The Department Chair will review the evidence presented by the faculty and the student's response.
 7. After the hearing (or review of evidence and online student response), the Department Chairperson will submit written notification of the result of the formal hearing to the appropriate Dean and the Judicial Coordinator with a copy to the student within five (5) business days.

Formal Resolution When the Student Denies the Violation

In cases of alleged academic dishonesty where facts are disputed or denied by the student, the following procedures will be completed.

1. The faculty member will forward a written summary within five (5) business days of the initial discussion with the student to the department Chairperson. This summary must contain copies of all relevant materials and the names of any

witnesses. Student access to information about the alleged incident will be determined in accordance with the guidelines published in the "Code of Student Conduct" found in the Student Handbook.

8. If the student is found not in violation of the academic honesty policy, then the case will be dismissed.
9. If the student is found in violation of the academic honesty policy, then the student will be required to complete the sanction or sanctions imposed by the faculty member in accordance with the guidelines in the Procedure for Informal Resolution When Student Acknowledges the Violation.
10. The Department Chair will refer the student to the Judicial Coordinator who will place the student on disciplinary probation at least through the next semester in which the student is enrolled at Southeast Missouri State University. If the student is not in good disciplinary standing, the Judicial Coordinator will follow the Code of Student Conduct to determine the appropriate disciplinary sanction.
11. In addition to the original faculty sanctions, the Chair can impose additional sanctions in accordance with the guidelines in the Procedure for Informal Resolution When Student Acknowledges the Violation.
12. The Department Chair may recommend failing the course, suspension, dismissal or expulsion if he or she believes the incident warrants more severe action than disciplinary probation. These recommendations, along with supporting documentation, will be shared in writing with the appropriate Dean and Judicial Coordinator (with a copy to Dean of Students).
13. The Judicial Coordinator will review documentation, meet with the student, and impose sanctions as warranted.

Appeals:

Either the student or the faculty member may appeal the result of the formal hearing.

1. An appeal must be made within five (5) business days after the decision is rendered.
2. Appeals must be in writing through e-mail, local mail or personal delivery.
3. There are two levels of the appeals process. The All University Judicial Board is the first level and the Provost is the second and final level of appeal.

The appeals process is not for retrying or rehearing a case. At each level, an appealed case merits being heard based on the following conditions.

1. An excessive sanction when compared with previous sanctions for similar violations under similar circumstances.*
2. The discovery of significant new information relevant to the case.

3. Procedural error regarding the student's rights involving error in the administration of judicial procedures by the faculty, Department Chair or Judicial Coordinator.

Decisions made during the appeals process can result in one of the following.

1. The sanction being altered based on a finding that the sanction is not consistent with past practice.
2. A new hearing being granted based on new information.
3. A new hearing being granted because the Protocol for Adjudicating Alleged Violations of Academic Honesty was not applied appropriately.

No grade penalty should be assigned by the faculty member until the judicial process determines that an act of academic dishonesty has occurred. If the charges cannot be resolved prior to the end of the current semester, a grade of 'I' should be assigned pending the outcome of the hearing. The 'I' will remain on the student's transcript until the charges are resolved. If the charges are still not resolved before the time frame for the 'I' expires, the faculty member will request from the Registrar's Office an extension of the grade of 'I'. The faculty member and the Department Chair will be notified of the outcome of the disciplinary case in order to assign a grade for the course. If the student is found not to be in violation of the Academic Honesty Policy, neither the faculty member nor any other member of the University community may take any other action against the student.

*Specific sanctions in syllabus are not subject to appeal.

Full text of the policy and accompanying procedures can be found at http://www.semo.edu/pdf/Provost_FacultyHandbook.pdf

ACADEMIC STANDING

Any time a student's cumulative grade point average (GPA) is below 2.0, the student will be placed on academic probation and enrollment will be limited to 12 hours per semester. The student will remain on academic probation and must earn a semester GPA of 2.0 in each subsequent semester until the cumulative GPA is at least 2.0. A student on probation who earns a semester GPA of less than 2.0 will be subject to suspension.

Students who are subject to suspension will have their records reviewed. The following actions may be taken: (1) conditions will be specified for the student's continued probation; or (2) the suspension of the student will be confirmed.

A student who has been suspended may appeal in

writing to the University Student Affairs Committee. The appeal must be made by the date stated in the student's notification of suspension. Notification of suspension will be sent to the student's permanent address. Students are obligated to have a current permanent address on file with the Office of the Registrar.

The Committee may take the following actions: (1) specify conditions for the student's continued probation; or (2) confirm the suspension of the student.

Students suspended at the end of a spring semester will not be allowed to enroll until the next spring semester; students suspended at the end of a fall semester will not be allowed to enroll until the next summer semester; students suspended at the end of a summer semester will not be allowed to enroll until the next spring semester.

Students who have been academically suspended more than once will be disqualified from attending the University for at least one semester. They may petition the Committee for readmission to the University after a minimum one-semester absence. The Committee may take the following actions: (1) specify conditions for the readmission of the student; or (2) deny readmission of the student to the University.

In order to enroll, students who have been suspended must inform the Office of the Registrar of their intention to return.

ADVANCED PLACEMENT

Previous achievement may be formally established by examination by furnishing documented evidence that the equivalent of a required course has been completed. Detailed information about advanced placement may be obtained from Testing Services, (573) 651-2836. (See Credit by Examination)

ADVISING

Each student is assigned an advisor. Each school or college has an advising office which coordinates advising in that school or college. Undeclared first-year students are advised by the Center for Academic Advising. Students who have declared a major are advised by faculty in their major departments. Questions regarding advising or declaration of major should be directed to the appropriate school or college advising office.

BULLETIN REQUIREMENTS/ STUDENT RESPONSIBILITY

Students are responsible for knowing and meeting graduation requirements stated in the BULLETIN current at the time of their initial enrollment as freshmen. Transfers from colleges and universities with which Southeast has an articulation agreement are permitted to complete degree requirements in effect in the BULLETIN at the time of their initial enrollment at that institution. Students may choose to be graduated under degree requirements stated in the latest BULLETIN. Changes in degree requirements, including majors and minors, do not apply unless students have interrupted their enrollment for at least one calendar year. In this event, the BULLETIN in effect at the time of readmission is used to determine degree requirements. The University reserves the right to modify or change any academic program subject to any limitation imposed by law. Changes in prerequisites are effective immediately.

The BULLETIN is the only OFFICIAL statement of requirements for each degree. Students are solely responsible for meeting these requirements.

No course may be substituted to meet degree requirements except with the approval of the Registrar and the appropriate department chairperson. To avoid

any possible delay in graduation, students should obtain written permission prior to scheduling a course that they believe may be substituted for a required course.

CANCELLATION OF ENROLLMENT

(See Enrollment)

CANDIDATES FOR TWO DEGREES

Students may earn two degrees by completing the requirements for both programs. Both degree/major/minor combinations will appear on the official transcript. Where applicable, courses will fulfill requirements on both degree programs, e.g., University Studies.

CLASSIFICATION OF STUDENTS

Classification of students is determined by the number of semester hours earned. Degree credit courses and developmental courses are used to determine a student's classification as freshman, sophomore, junior and senior.

Freshman. Students who have completed fewer than 30 semester hours are classified as freshmen. Students with fewer than 15 semester hours completed may enroll in courses numbered 000-199. Students with 15-29 semester hours completed may take courses numbered 000-299.

Sophomore. Students who have earned 30-59 semester hours are sophomores. Students who have completed from 30-44 semester hours may enroll in courses numbered 000-299. Students with at least 45 semester hours completed may enroll in courses numbered 000-599.

Junior. Students with 60-89 semester hours completed are juniors. They may enroll in courses numbered 000-599.

Senior. Students with 90 semester hours completed are seniors. They may enroll in courses numbered 000-599.

Visiting Student. Students in good standing at other accredited colleges or universities may be enrolled for one academic period as a visiting student. An official

statement from the student's current school verifying the student's good academic standing must be provided to the Office of Admissions prior to enrolling.

Dually Enrolled Student. Students who have not completed their undergraduate degree, but who are permitted by the Dean of the School of Graduate Studies to enroll in graduate courses, are classified as dually enrolled students.

Graduate Student. Students who have been accepted into the School of Graduate Studies are classified as graduate students. Refer to the GRADUATE BULLETIN for more information.

COMMENCEMENT (See Graduation)

CONSTITUTION REQUIREMENT

In order to graduate from Southeast, students must comply with the state law known as Senate Bill No. 4, 1947 (Mo. Rev. St. Sec. 170.011), which states that students must be "given regular courses of instruction in the Constitution of the United States and of the State of Missouri, and in American history including the study of American institutions." Students meet this requirement by completing the Political Systems requirement of the University Studies program. Transfer students who have had a course in American government that did not include a study of the Missouri constitution must complete PS 220 Missouri Government, a one-hour course.

CORRESPONDENCE COURSES

Correspondence courses are not offered by the University. Such work, if applicable to degree requirements, is accepted by transfer from a regionally accredited college or university subject to the limitations noted below. Students may not be enrolled in the University and take correspondence courses without the permission of the Registrar, nor may they take a correspondence course if the same course is offered on campus. University Studies Interdisciplinary courses (UI/IU prefix) and courses which include laboratory class meetings as part of the schedule on this campus may not be taken by correspondence. Before enrolling in a correspondence course, students should consult the Office of the Registrar regarding its acceptability. Total hours and prerequisite restrictions required for residence courses are also applicable to correspondence courses.

Credit Limitations. Correspondence courses in techniques of teaching are not transferred.

On a major or minor, not more than one-half of junior college nor more than one-half of senior college

work may be completed by correspondence.

No more than 10 hours of correspondence work may be taken in any twelve month period.

COURSE NUMBERING SYSTEM

Courses numbered 000-099 are classified as developmental courses (unless a lab section which corresponds with a 100-599 lecture course). Courses numbered 100-299 are designated as junior college (lower division) courses. Courses numbered 300-599 are designated as senior college (upper division) courses.

Workshop courses are numbered 800-866. Workshops numbered 800-833 are open to all undergraduate and graduate students and are awarded lower division credit. Those numbered 834-866 are open to undergraduate students who have completed 45 semester hours of credit and to graduate students; undergraduates are awarded upper division credit; graduate students are awarded graduate credit.

CREDIT BY EXAMINATION

This program assists people in gaining recognition for knowledge gained and skills acquired through non-academic approaches to learning. College credit earned by examination may be counted toward University Studies, major, minor or elective requirements. A maximum of 30 semester hours of combined credit from AP, CLEP, DANTES, DE, CPS, and IB options may be counted toward a single degree.

Currently enrolled students and students who have applied for admission but have not yet enrolled may avail themselves of the credit by examination programs. Credit is granted through Advanced Placement (AP), DANTES Subject Standardized Test, Departmental Examination (DE), and the College Level Examination Program (CLEP). Additionally, credit may be earned via a Certified professional Secretary (CPS) certification, or through the International Baccalaureate Organizations (IBO) program. Students should email testingservices@semo.edu with their name, Southeast ID number, and a list of courses for which they are requesting credit.

Students may qualify for credit by examination as long as they have earned fewer than 90 semester hours and have not enrolled in a college course in the subject area in which the examination is given. Students who anticipate attempting to earn credit by examination should not enroll in that subject area before taking the examination. For questions, contact Testing Services at 651-2836.

High School Dual Credit. Southeast offers dual credit courses in many area high schools and online. Check with your high school counselor or contact the Dual Credit office at (573)986-6179.

Students who have earned college credit from other dual credit programs need to request official transcripts and have them sent to the Southeast Missouri State University Admissions Office, MS 3550, Cape Girardeau, MO 63701-4799.

CREDIT HOUR

The unit for counting credit is the semester hour. A minimum of 750 minutes of lecture or 1200 minutes of workshop or 1500 minutes of laboratory is required for each semester hour of credit.

DEAN'S HONOR LIST (See Honors)

DECLARATION OF MAJOR

Students declare their majors by completing a Declaration of Major form in the appropriate college advising office or major department. Students may change their major in the same manner.

Harrison College of Business: Declaration of major is done in the College Advising Office.

College of Education: Declaration of major for Elementary, Early Childhood, and Exceptional Child is done in the College Advising Office. Declaration of major for Middle School is done in the Department of Middle and Secondary Education. Secondary education majors follow the procedures for the College in which their major is taught. All education majors should confer with the Coordinator of Advising for the College of Education prior to enrollment in Block II.

College of Health and Human Services: Declaration of major for Pre-Nursing is completed in the College Advising Office. All other majors in the college are declared in the major department.

College of Liberal Arts: Declaration of major is done in the major department.

College of Science, Technology and Agriculture: Declaration of major is done in the College Advising Office.

School of University Studies: Declaration of major for undeclared/exploratory and Interdisciplinary Studies majors and the Bachelor of General Studies degree are declared in the University Studies Advising Center.

DEGREE

The bachelor's degree is usually the first academic title or rank conferred on a student by the University for satisfactory completion of a prescribed four-year course of study and authenticated by a diploma signifying a measure of achievement. Its purpose is to enable a student to acquire a certain amount of liberal learning and to become proficient in a particular branch of learning. The primary sources of liberal learning in the curriculum of the bachelor's degree are University Studies and electives. For more programs, those studies leading to proficiency in a branch of learning are a major supported or complemented by one or more of the following: a professional core, a cognate field, a minor.

The curricular structure of the bachelor's degree at Southeast Missouri State University includes 51 credit hours of University Studies, a minimum of 12 credit hours of electives, and a maximum of 64 credit hours of the combination of major and its attendant studies for a minimum of 120 credit hours. The curricular structure allows for a certain amount of overlap between University Studies and other parts of a program: a maximum of 6 credit hours of University Studies courses at the 100-200 level may be taken in one department, and one course at the 300-400 level may be taken in the student's major. Within the structure, the content of programs determines the type of bachelor's degree. For example, bachelor of arts degree programs usually are aimed at liberal learning; they tend to teach qualitative methods of scholarship that focus on matters of priority and choice; and they ordinarily have a small major, which makes the degree flexible. Bachelor of science programs generally are oriented toward professional preparation; they tend to teach quantitative methods of scholarship for purposes of prediction; and they usually have a large major, which limits the flexibility of

the degree. Like these traditional degrees, professional bachelor's degrees reflect the content of their programs. The University offers several professional degrees: the Bachelor of Science in Business Administration, the Bachelor of Science in Education, the Bachelor of Science in Family and Consumer Sciences Education, the Bachelor of Music Education, the Bachelor of Music, and the Bachelor of Science in Nursing. These programs usually require a core of professional studies that conforms to the standards of an accrediting agency or other professional body. The size of the professional core ordinarily restricts the number of hours that are required in its associated major.

The relationship among the parts of the bachelor's degree engender its coherence. University Studies and electives provide the intellectual milieu in which a particular branch of learning is applied. The development of proficiency in a branch of learning extends the student's knowledge of one or more of the human perspectives first encountered in University Studies.

DEGREE AUDIT REPORT (DegreeWorks Audit)

The official evaluation of a student's record stating the specific requirements for graduation is a DegreeWorks audit. DegreeWorks audits are available on the web and may be reviewed at any time during the semester by the student or his/her advisor.

DEPARTMENTAL DISTINCTION (See Honors)

DEVELOPMENTAL COURSES

Southeast Missouri State University is committed to the academic success of its students. It promotes the accomplishment of this end, in part, by providing tutors, skill development laboratories, and developmental courses. While all of these elements are important, the developmental courses are specially designed to assist students who have demonstrated deficiencies in mathematics and writing. These courses are offered to assist students who might otherwise have difficulty in making the transition from high school to college. Also, similar developmental courses are offered to assist international students. In either case, the ultimate purpose is the same—namely, to enhance the probability that students will achieve academic success.

Developmental courses are extremely important in assisting students who have not demonstrated the skills necessary for academic success at the college level. While

grades may not be reduced on the basis of attendance, experience indicates that success in these courses is greatly diminished by poor attendance. Attendance is essential if students are to receive the expected benefits of these courses. Therefore, attendance is required at all class meetings of developmental courses.

To ensure that these expectations are met, students and faculty assume extraordinary responsibilities. Students have a responsibility for properly notifying faculty members as to their reasons for not attending class. Upon the recommendation of the faculty member, a student with more than three inappropriate absences may be suspended from class by the college dean and have a grade of 'F' recorded. In a case where attendance is a continual problem, the Registrar may suspend and disqualify the student from further enrollment at the University.

EN 099 Introduction to Composition. Beginning freshmen and transfer students who have not completed EN 100 English Composition are required to take an English Writing Placement Essay. The results of this test are used to determine placement in the appropriate level of English, and the likelihood of successful completion of the test of writing competence that students must take after completing 75 hours.

MA 050 Basic Math Skills. Any student with an ACT Mathematics subscore of 14 or below is placed in MA050 Basic Math Skills. A grade of 'NDC' or higher in MA050 is needed to satisfy the prerequisite for the next developmental mathematics course.

Any student with an ACT mathematics subscore of 15-21 is placed in a developmental mathematics course that is required for the Logical Systems mathematics course. The following table lists the developmental mathematics course which is required for each Logical Systems mathematics course.

Developmental Mathematics	Logical Systems Mathematics
MA 018	MA 128
MA 021	MA 218
MA 023	MA 123
MA 055	MA 155
MA 106	MA 133
MA 106	MA 134
MA 106	MA 137

Graduation Requirements. Developmental courses are prerequisites to regular university courses. Students must complete a minimum of 120 hours of regular courses in addition to any developmental courses number below 100 they are required to take. Credit

earned in courses numbered below 100 does not count toward the minimum number of hours required on any degree offered by the University. However, credit in these courses is used in determining the classification of students, academic progress for financial aid, and athletic eligibility.

In order to receive a degree from Southeast, students must pass any required developmental courses or score at the appropriate levels on placement tests to have the courses waived.

DUALLY ENROLLED STUDENT

(See Classification of Students)

ENGLISH WRITING PLACEMENT ESSAY

All incoming students who have not successfully completed EN100 English Composition will be placed in a first-semester writing course as follows:

- Students with an ACT English subscore of 22 or above will be automatically placed into EN100;
- All other students are required to take WP001, the English Writing Placement Essay, which is administered by Testing Services and scored by the Center for Writing Excellence. Students are eligible to sit for only one administration of WP001.

Students whose ACT English subscore is 25 or above are eligible to take the EN100 Equivalency Exam the semester they enter the University system. Students who achieve the required score on the Equivalency Exam will be granted three hours of credit for EN100.

ENROLLMENT/CANCELLATION/WITHDRAWAL FROM THE UNIVERSITY

Enrollment. Students enrolled in 12 hours of credit per fall or spring semester are designated as full-time students. Students enrolled in 11 hours or less per fall or spring semester are designated as part-time students. Students enrolled in 6 hours of credit per summer semester are designated as full-time students. Students enrolled in 5 hours or less per summer semester are designated as part-time students. Only officially enrolled students may attend classes. Specific instructions for enrollment can be accessed on the Registrar's website, www.semo.edu/registrar.

Maximum Enrollment. Normally, the maximum number of hours that a student may schedule in the fall or spring semester is 18. However, students with at least a 3.0 grade point average (GPA) in the preceding semester, or at least a 3.0 cumulative GPA, may request permission from their advisor to carry a maximum of 21 hours. Such requests are considered on an individual basis. The maximum number of hours that a student may schedule during a summer semester is determined by the length of the session.

Registration/Enrollment. All currently enrolled students register for classes using the web registration system located at <http://portal.semo.edu>. Students may register for classes using one of several computer terminals located on campus. Web registration instructions can be accessed on the Registrar's website, www.semo.edu/registrar.

Change of Schedule. Students may add or drop classes until the deadlines listed on the Semester Calendar which can be accessed on the Registrar's website, www.semo.edu/registrar.

Late Enrollment. Students are expected to enroll prior to the start of classes. They may enroll during the first week of the fall or spring semester. Late enrollment dates for the summer semester can be accessed on the Registrar's website, www.semo.edu/registrar. A fee may be charged for late enrollment.

Cancellation/Withdrawal from the University. Students can cancel their enrollment prior to the start of classes using the web registration system to drop all classes or by notifying the Office of the Registrar in writing. Such notification must be RECEIVED by the first day of the semester. Students can withdraw from the University until the "Last Day to Drop a Class/Withdraw from the University," listed on the Registrar's website, www.semo.edu/registrar, using the web registration system or by notifying the Office of the Registrar in writing. All financial obligations to the University must be fulfilled. Grades of 'F' are recorded for students who do not withdraw officially from the University.

Deadline for Refund. Students who cancel enrollment before the semester begins are eligible for a refund of 100 percent of any incidental fees that they have paid. Students who withdraw from classes after the semester begins are eligible for a refund of incidental fees based on the sliding scale available through Student Financial Services, Academic Hall, 1st level.

Deadline for Withdrawing Without Penalty. Students may not withdraw during the three weeks preceding final examinations without the approval of the Registrar. The time period for withdrawing is reduced

proportionately for terms of fewer than 15 weeks.

Probationary Students. Students who are on probation and withdraw remain subject to suspension. (See Academic Standing)

EXAMINATIONS

Formal examinations are given at the end of every conventional course and must be taken at the time stated. Exceptions are granted only in cases of extreme hardship. Students may request an exception by submitting a written request to the instructor. Any approval of such an exception must be made in writing by the instructor and the department chairperson. Students are allowed two hours to complete a final examination.

If a student is unable to take a final examination because of illness or other circumstances beyond her/his control, the department chairperson must be notified by the student; otherwise, a grade of 'F' in the course will be recorded.

Special Examinations. Departments which require special examinations must list them on the Registrar's website, schedule of classes section. No student may be required to miss another scheduled class in order to take a special examination. In case of a time conflict between a scheduled class and a special examination, the department giving the special examination will provide an alternate time to the student who has the conflict.

FINAL EXAMINATIONS

(See Examinations)

FOREIGN LANGUAGE PLACEMENT AND RETROACTIVE CREDIT

Students with prior experience in a foreign language may receive retroactive credit. Students who earn a grade of 'C' or better in a course beyond the first semester course can receive credit for a prerequisite course or courses up to a maximum of nine semester hours. Retroactive credit will receive a grade of 'CR', and may be counted toward the foreign language requirements on the Bachelor of Arts or Bachelor of Science in Education degree, and/or the requirements of a major or minor in a foreign language.

GRADES

Grades are assigned as follows: A = excellent; B = superior; C = average; D = inferior; F = failure; I = incomplete; X = failure due to nonattendance; P = pass; CR = credit; AU = audit.

Grades with an ND prefix indicate non-degree courses which are not included in the grade point average (GPA) and the credit hours are not counted toward the credit hours needed for graduation. These are either developmental courses or courses taken by students who are not regularly admitted to Southeast.

Calculating Grade Point Average. Grade points are calculated on the following basis: for each hour of A, 4 points; for each hour of B, 3 points; for each hour of C, 2 points; for each hour of D, 1 point; for each hour of F, 0 points. The GPA is computed by dividing the total grade points by the number of semester hours of academic work attempted. Grades assigned as CR, P, AU and grades received for non-degree credit courses are not computed in the GPA.

Required Grade Point Averages.

- A minimum cumulative GPA of 2.0 is required for graduation, except for the B.S. in Education, the B.S. in Family and Consumer Sciences Education, the Bachelor of Music Education, the major in Communication Disorders, the major in Interdisciplinary Studies, the major in Mass Communication, and the Bachelor of Fine Arts-Performing Art program which require a 2.50 GPA for graduation and the major in Social Work which requires a 2.25 GPA for graduation.
- A minimum 2.0 GPA for all of the degree credit attempted at Southeast is required.
- For all degrees which require a major, a minimum 2.0 GPA must be earned in those courses counted on the major, except for Business Administration majors which require a 2.25 GPA, majors on the Secondary Education degree, the Mass Communication major, the Health Management major and the Theatre and Dance major which require a 2.50 GPA, the Communication Disorders major which requires a 2.75 GPA, and the BFA-Art majors, BFA-Performing Arts major, all Music majors, Human Environmental Studies: Dietetics Option and the Social Studies Education major which require a 3.0 GPA.
- A minimum 2.0 GPA must be earned in those courses completed at Southeast that are counted on the major.

Incomplete work. A grade of Incomplete ('I') may be given when a student is doing passing work, but is unable to complete all of the requirements because of unusual circumstances acceptable to the instructor. In no case may an 'I' be agreed to prior to the last day

to “drop” the class. An ‘I’ may not be used to permit a student to repeat a course or to improve a grade. Both the student and the instructor must complete the Application for Incomplete Grade form and file it with the departmental office. Normally, this is done prior to the submission of final grades. Requirements for completing the course are specified by the instructor on the application.

An Incomplete must be removed during the next semester, exclusive of the summer semester, or a grade of ‘F’ will be recorded. Students should not reenroll in courses in which they have received an ‘I’ grade.

Pass/Fail Option. This option may be chosen by students who meet the following criteria: (1) 45 semester hours of credit completed; (2) a cumulative GPA of at least 2.250; (3) all the prerequisites for the course completed. A course taken on the pass/fail option will be counted only as a general elective. Courses needed to fulfill University Studies, major, minor or other degree requirements cannot be taken on a pass/fail basis.

The pass/fail grade refers only to the final grade recorded on the student’s transcript. Performance is evaluated on the same standard as if the student were being graded on the A, B, C, D, F scale.

A grade of ‘P’ does not affect the GPA. However, a grade of ‘F’ is computed into the GPA.

A course taken on the pass/fail option may be repeated only on the pass/fail option, and only if it was failed initially.

Students are limited to 6 hours of pass/fail credit per academic period, and a total of 18 semester hours.

A request for pass/fail credit must be approved by the student’s advisor and the Office of the Registrar, and must be on file in the Office of the Registrar prior to the date stated on the Registrar’s website, schedule of classes section.

Auditing a Class. With the approval of the department chairperson, a student may be permitted to audit a class. The chairperson’s approval must be on file in the Office of the Registrar prior to the date stated on the Registrar’s website, schedule of classes section. Students who audit classes are not required to take examinations or to do assignments required of regularly enrolled students. They are expected to attend the class. A student does not receive any credit for a course that has been audited. Only students who are officially enrolled in the University may audit classes. Fees are assessed at the same rate as courses taken for credit.

A student may elect to take a course for credit which has been audited previously or audit a course for which credit has been received previously.

Grade Appeal Process. Situations may arise in which a student believes that a grade received in a particular course is incorrect. The student should first approach the instructor of the course in a timely manner in an attempt to resolve the matter. If the matter is unresolved, the student should consult with the chairperson of the department in which the course is taught. If the matter remains unresolved, the student should follow the grade appeals process as outlined on the Dean of Students website, “Grade Appeals Procedures” found online at <http://www5.semo.edu/deanofstudents/>. (See the policy on academic honesty for process in cases of alleged academic misconduct and/or grade appeals policy.)

GRADUATION

Commencement. Attendance at commencement is highly encouraged. Attendance will help to make this important occasion a memorable one.

Commencement exercises are held at the conclusion of the fall and spring semesters. Students who expect to complete degree requirements in the fall semester will participate in the fall commencement ceremony; students who expect to complete degree requirements in the spring semester will participate in the spring commencement ceremony. Students who expect to complete degree requirements in the summer semester may participate in the preceding spring exercise provided they have met the deadlines set forth by the Office of the Registrar, or they may elect to participate in the fall exercise following summer graduation.

Application. Students should apply for graduation at the time they enroll for their last semester. Students graduating in the summer who wish to participate in the spring commencement exercise should enroll on the first day of priority summer enrollment and submit a graduation application for the summer semester immediately. Applications must be received in the Registrar’s Office by the deadline listed on the commencement website <http://www.semo.edu/commencement/>. Every effort will be made to notify students of unmet requirements in time for changes to be made to the semester’s enrollment; however, the final responsibility for enrolling in courses which fulfill graduation requirements remains with the student.

Fee. A fee is charged to cover administrative costs associated with the awarding of the degree. This fee will be charged to the student’s account after s/he has been approved as a candidate for graduation.

Requirements. Students are solely responsible for

knowing and meeting degree requirements. Students cannot graduate with any incomplete classes, including elective courses which may or may not be required for the completion of the degree, on their record.

Questions regarding the commencement ceremony, application process, fees or graduation requirements should be directed to the graduation personnel in the Office of the Registrar.

HONORS

Dean's Honor List. Students who meet the following criteria will be eligible for the Dean's Honor List:

1. Full time student and complete 12 hours of standard graded (A-F) credit hours;
2. Achieve a semester GPA of 3.75 or higher;
3. Achieve no grade less than a 'B';
4. Receive no failing grades in credit/no credit or pass/fail courses.

Only courses in which grade points are applied to the cumulative GPA are used to determine eligibility. If students have declared a major, a certificate of recognition may be obtained from the dean of the college in which the major is located. If a student has not declared a major, the certificate may be obtained from the Dean of the School of University Studies.

Departmental Distinction. To be eligible to apply for graduation with departmental distinction, students must have completed a minimum of 75 semester hours with at least a 3.0 overall cumulative GPA, and must have at least a 3.25 cumulative GPA in courses taken in the department of the major, as verified by the Office of the Registrar.

To be graduated with this distinction, students must initiate the study for distinction prior to the graduation semester and satisfy criteria as detailed in the FACULTY HANDBOOK. All projects must be initiated and approved prior to the first day of the graduation semester. Students interested in this program should ask the chairperson of their department for additional information.

Graduation with Honors. Students with a qualifying GPA of at least 3.5 are eligible to graduate with honors. To compute the qualifying GPA, a student's overall cumulative GPA, as reported on their transcript, is re-calculated to include the original grade(s) and credit hour(s) for any course(s) that have been repeated.

A special ceremony to recognize students graduating with honors is held prior to the commencement exercise. To be eligible to participate in this ceremony, a student must have earned a qualifying GPA of at least 3.5 (as noted above) before the beginning of the

semester in which the student is participating in commencement. Grades earned during the commencement semester will not be considered in determining eligibility for participation in the honors ceremony.

All students who graduate with honors, including students whose GPA was not sufficient until the end of their final semester, will have this honor recorded on their transcript and diploma.

Cum laude. Students whose overall cumulative GPA is from 3.5-3.749 are graduated cum laude.

Magna cum laude. Students whose overall cumulative GPA is from 3.75-3.899 are graduated magna cum laude.

Summa cum laude. Students whose overall cumulative GPA is from 3.9-4.0 are graduated summa cum laude.

EXCEPTION: Students who have elected to utilize the "Academic Fresh Start Policy" for forgiveness of prior GPA are eligible for graduation with honors based upon their new course work and grades.

IDENTIFICATION CARD

All enrolled students are expected to carry the Redhawks Card, the University identification card. The Redhawks Card is required to obtain access to various University facilities, services and to gain admission to certain University programs and functions. Students are responsible for the accuracy of the information on the card.

The Redhawks Card is non-transferable and its misuse or falsification of information could result in disciplinary action. Students must present their identification card upon request to University officials acting in performance of their duties. There is no charge for the original Redhawks Card or for a replacement if the card is bent, worn, or broken, however, you must return the damaged card at time of requesting a new card. A replacement fee of \$15 will be charged to replace lost cards, or those that are required by a name or account number change. Redhawk cards are obtained in the ID Services office, at the Information Desk on the 3rd floor of the University Center. Please call (573)339-4636 for further information.

INCOMPLETE GRADE (See Grades)

INDEPENDENT STUDY

Students may enroll in a maximum of two independent study courses for a total of six semester hours

credited toward the baccalaureate degree. They must have met the following prerequisites:

1. A minimum of 75 semester hours completed;
2. A minimum cumulative grade point average of 2.50 overall or 2.75 in the department in which the independent study is being done;
3. A minimum of 10 semester hours in the department completed;
4. Permission of the department chairperson.

INTERNSHIP

An academic internship affords the student a unique opportunity to combine formal learning experiences with the professional work setting. Internships are planned experiences that are approved prior to enrollment for credit. Internship programs may be established for 3 to 15 semester hours of credit. As a guideline, it is expected that the student would be employed in a supervised learning experience for at least 120 hours spread over the academic session in order to receive 3 hours of credit. While the number of hours provides the basis for a set time frame, the emphasis throughout the internship is on the quality of the planned learning experiences. Departments should refer to the FACULTY HANDBOOK for guidelines for establishing internships.

JANE STEPHENS HONORS PROGRAM

By offering educational opportunities tailored to the special needs, aspirations and motivations of students with outstanding intellectual and creative abilities, the Jane Stephens Honors Program underscores Southeast Missouri State University's commitment to quality and excellence in matters of knowledge, creativity and leadership. The goals of the Jane Stephens Honors Program reflect this basic commitment. These goals are:

- To address the special needs of outstanding students by providing a center of identity for formulating personal goals, developing self-esteem and increasing the desire for self-directed learning.
- To contribute to the general advancement of learning by encouraging the active pursuit of academic goals, as exemplified by research, scholarly activity and creative endeavor.
- To encourage an intellectual perspective by providing a model of academic endeavor that emphasizes analytical thought, insight into the methodologies of different disciplines and cross-disciplinary synthesis.

Honors credit may be earned by:

1. taking specially designated honors sections of courses in the University curriculum OR
2. contracting for honors credit in non-honors sections taught by members of the honors faculty.

Honors sections may be designated for any degree credit course in the University curriculum. Honors courses are designed and taught to contribute to the goals and objectives of the Jane Stephens Honors Program. At the same time, honors courses meet the content requirements of their non-honors counterparts.

To be eligible for admission to the Jane Stephens Honors Program, students with less than 15 semester hours of college credit must have a cumulative high school grade point average (GPA) of at least 3.5 on a 4.0 scale (or its equivalent) and an ACT composite score of at least 27 (or its equivalent). Students who do not meet the initial criteria, and transfer students, may be admitted to the Jane Stephens Honors Program after they have completed 15 semester hours of college credit with a cumulative college GPA of 3.5.

For transfer students, Southeast will accept a maximum of 6 semester hours of honors credit from an accredited college or university.

To remain active in the Jane Stephens Honors Program, students must maintain a GPA of at least 3.5. Additionally, students must complete 18 semester hours of honors credit by the time they have earned 75 credit hours and 21 semester of hours of honors credit by the time they have earned 90 credit hours. Exceptions to the 18 and 21 honors credit hours requirements will be considered on a case-by-case basis.

The requirements to complete the Jane Stephens Honors Program are 24 semester hours of honors credit with 6 hours at the upper division level, a senior honors project (HN 499), and a minimum cumulative GPA of 3.5.

LATE ENROLLMENT

(See Enrollment/Withdrawal)

MAJOR

An academic major is a curricular component that enables students to make an in-depth inquiry into a discipline or a professional field of study. It is organized around a specific set of goals and objectives that are accomplished through an ordered series of courses whose connections define an internal structure. It is intended to provide study in depth, which leads to

knowledge and understanding in the discipline or field of study. A major that focuses on a discipline draws its courses predominantly from one department. One that encompasses a professional field of study or is interdisciplinary usually obtains its courses from more than one department.

The number of credit hours in a major and its organizational structure will vary, depending on whether it aims at disciplinary or professional preparation. A disciplinary major consists of thirty to forty-two credit hours. Due to the demands of accrediting agencies, certification requirements, and professional competence, a professional major normally ranges from thirty to fifty-five credit hours. In both cases, a major includes a logically ordered core of required courses, which provides general direction for students' study, and a series of electives, which gives a degree of flexibility to the program. A minimum of 15 hours in the major must be at the upper level (300 or above).

Departments have the responsibility for administering all majors within their unit and for approving particular programs of study and appropriate course substitutions for students. Those departments involved with interdisciplinary majors perform the same functions as individual departments. Courses taken to fulfill other academic requirements, e.g., minors and areas of specialization, may ordinarily also be used in the major without reducing the minimum number of hours required for a degree. However, no student may declare a major and a minor in the same discipline or field of study.

The most important feature of a major is study in depth. A major introduces students to a discipline or field of study through a foundation of theory and method, which serves as a basis for further study. It exposes them to the gamut of topics examined and the analytical devices used in the study of the subject. It contains a series of courses that presume advancing levels of knowledge and understanding. At its completion, it has a means of assessing students' mastery of the subject such as, a project, an internship, a thesis, or a comprehensive examination. Study in depth provides students with an understanding of the fundamental problems and arguments of a discipline or field of study, as well as their limits. It affords them practice with the tools of the subject, introduces them to its historical and philosophical foundations, and gives them a clear sense of its boundaries and its effectiveness as a means for understanding or serving human society.

Within majors, there may be Options, Concentrations, Areas of Specialization or Tracks.

Options. An Option is a formally designated specialization within an existing major that has distinctive curricular pattern. A preponderance (more than half) of required courses for the option will be taken in a core of courses common to all variations of the existing major. Options will appear on the student's transcript.

Concentrations. A Concentration is a specialization within an existing major that is a coherent set of courses designed to provide depth in a particular sub-discipline. Concentrations will not appear on a student's transcript.

Area of Specialization. An Area of Specialization is specific to the B.S. in Education for Elementary (1-6) and Middle School (5-9) programs. It fulfills one requirement of the Missouri Department of Elementary and Secondary Education for teacher certification for those programs. An Area of Specialization consists of an approved structured 21 hour (minimum) series of courses in an area appropriate for these teachers. An Area of Specialization will appear on a student's transcript.

Tracks. A Track is specific to the degree in Interdisciplinary Studies. A Track consists of at least 12 credit hours and not more than 30 credit hours in specific discipline or area of study. The specific courses that constitute a Track are determined in the contract that the student makes with the School of University Studies. Up to four Tracks may appear on the student's transcript.

MINOR

An academic minor is a curricular component which enables a student to make an inquiry into a discipline or field of study, or to investigate a particular theme. It is organized around a specific set of objectives or questions. The objectives of a minor are achieved through an ordered series of courses, whose connections are defined to indicate an internal structure. Minors are intended to provide competency in the subject. Course offerings in a minor may be centered in a specific department or drawn from several departments as in the case of a topical or thematic focus.

A minor consists of fifteen to twenty-one credit hours, with at least six credit hours, preferably nine or more, at the upper level (300 or above). Nine to twelve credit hours are organized in a logical sequence of required credits. This core provides general direction for the student's study while maintaining a degree of flexibility. Flexibility is achieved by offering the student a choice from among a group of courses to complete the credits. Departments have the responsibility to administer all minors within their unit and to approve appropriate substitutions for students. Those units in-

involved in interdepartmental minors perform the same function as departments. Courses taken in a minor may ordinarily also be used to fulfill other academic requirements, e.g., majors, general education, without reducing the minimum number of hours required for a degree. However, no student may declare a major and a minor in the same discipline.

The integrity of a minor is measured by the degree to which the structure and content meet its objectives and, thereby, serve the student. It is also determined by its relationship to the curricular goals and objectives of the department. The regular evaluation of a minor to ensure its integrity and the practice of noting it on a student's transcript indicate its importance to the university curriculum. The true significance of a disciplinary minor is demonstrated by the extent to which it leads the student to some understanding of that discipline or field of study and to a certain degree of competence with its methods of inquiry. The quality of an interdisciplinary or thematic minor is determined by its ability to suggest answers to the questions upon which it is focused. In either case, a minor should provide basic insight into a subject that helps further the student's educational goals.

PROBATION

(See **Academic Standing**)

REPEATED COURSES

Students who have received a grade below an 'A' in a course may repeat the course, provided they have not completed a course for which the repeated course is a prerequisite. When a course is repeated, the first grade remains on the permanent record, but only the last grade is used in computing the grade point average. Students must have the permission of the Registrar to repeat a course.

RESIDENCE REQUIREMENTS

At least 30 semester hours of credit earned in residence are required for all undergraduate Baccalaureate degrees. At least 20 semester hours of credit earned in residence are required for all undergraduate Associate degrees. "In Residence" is defined as courses taken on a campus of Southeast Missouri State University or administered by Southeast Missouri State University.

The last term of work before receiving a degree must be done in residence; however, students who lack six semester hours or fewer to meet the graduation requirements may request permission of the Registrar

to complete them at another accredited college or university, or by correspondence subject to the rules governing transfer of credit.

STUDENT OUTCOMES ASSESSMENT

Assessment of student skills and knowledge by various means external to regular classes is an important and necessary part of completing degrees at Southeast Missouri State University. Students are expected to complete any locally-produced or nationally-normed assessment instruments (e.g., Major Field Achievement Tests, Writing Assessment, the Measure of Academic Proficiency and Progress (MAPP) and general education assessments) required by Southeast Missouri State University for measurement of students' skills and knowledge. Students are responsible for knowing the assessment requirements of the University and of their academic major departments. The University is responsible for informing students of these specific requirements in official documents. The University has the option to record the results of students' performance on official assessments in official students' records, including transcripts. The University reserves the right to withhold official records and access to enrollment of students who do not complete required assessments.

All students are required to fulfill the 75-Hour Writing Proficiency requirement except (a) those who are pursuing a second college degree at the bachelor's level or beyond, and (b) those who have completed 90 credit hours toward their degree upon enrolling at Southeast for the first time. Students who are required to fulfill this requirement must enroll in WP 003, the 75-Hour Writing Proficiency Test, after they have completed 75 semester hours of credit. In addition, students must have credit for the University Studies Written Expression category before taking WP 003. A passing score on WP 003 is a requirement for graduation on all baccalaureate degrees. The test is administered by Testing Services and scored by the Writing Outcomes Program faculty. Students must present two photo ID's for admission to the testing site.

STUDENT RECORDS

The University maintains students' educational records in a manner consistent with the Family Educational Rights and Privacy Act of 1974 (Buckley Amendment), Missouri statutes R.S.MO. 610.021(6) and 610.010(4), and the implementation of these acts. These acts are

designed to protect the privacy of students and parents regarding access to records and release of such records, and to provide opportunity for a hearing to challenge such records should they be inaccurate, misleading, or inappropriate.

Under the University's Open Meetings and Open Records Policy, adopted by the Board of Regents October 30, 1987, public records are closed to public inspection and copying to the extent that they relate to scholastic probation, expulsion, or graduation of identifiable individuals and personally identifiable student records.

However, such records may be subject to public inspection and copying under the following conditions:

1. Personally identifiable student records shall be open for inspection by the student, or by the parents, guardian or other custodian of the student in the case of a student who is a dependent of the parent, guardian, or other custodian as defined by the Internal Revenue Code, Sec. 152. The burden of establishing dependency shall be upon the parent, guardian, or custodian requesting access to the record.
2. Any personally identifiable student records may be disclosed upon the request or with the consent of the student, in writing, dated, and specifying the records to be disclosed, the purpose of the disclosure, and the parties to whom disclosure may be made.
3. Personally identifiable student records which are required by state or federal law to be disclosed to federal or state agencies, or under court order, or in specific circumstances, may be disclosed at the request of such agency, or in response to court order, or upon showing of the specific circumstances requiring disclosure.
4. Directory information, including the following: Name, address, email address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, full or part time enrollment status, number of hours enrolled in a semester, degrees, awards received, and the most recent previous educational agency or institution attended by the student, may be disclosed without the consent of the student.

A student who objects to the disclosure of any of these specific categories of personally identifiable directory information has the right to refuse to permit the designation of such information as directory information with respect to that student. Such objection must be

made in writing to the Registrar not later than 30 days after the start of the student's first semester of enrollment at the University. The University will attempt to honor written objections not filed within 30 days after the start of the student's first semester of enrollment, but in such instances will not be responsible for the inadvertent release of information designated by the University as directory information by an agent who is not aware of the student's objection to that release.

(See Academic Standing)

UNIVERSITY STUDIES PROGRAM

All students who are candidates for baccalaureate degrees are required to complete the University Studies program. This program consists of 51 semester hours and includes the following components: (1) UI 100 First Year Seminar, required of all beginning students and transfer students with fewer than 24 degree credit hours; (2) EN 100 English Composition, required of all students. Students may transfer this course in. Students placing directly into the Written Expression category will have met this requirement; (3) core curriculum: one 3 hour course from each of four categories in three perspectives for a total of 36 core semester hours at the 100-200 level. No more than six of these 36 hours may be taken within any one department; (4) two 300 level interdisciplinary courses; and (5) one 400 level senior seminar. At the 300-400 level, no more than one course can be taken in the department(s) of the student's major(s).

Students who begin their academic careers at institutions with whom the University has an articulation agreement and who subsequently transfer to Southeast with an appropriate Associate Degree or general education transfer block will be considered to have completed the lower division component of the University Studies program. They will be required to complete the two 300-level interdisciplinary courses and the 400-level senior seminar.

Students who begin their academic careers at Missouri institutions that are compliant with the Credit Transfer Policy of the State Coordinating Board for Higher Education and transfer to Southeast after having completed the sending institution's 42-credit general education transfer block will be considered to have completed the lower division component of the University Studies program. Transfer students are required to complete the two 300-level interdisciplinary courses

and the 400-level senior seminar.

The School of University Studies is located in Memorial Hall, room 210, (573) 651-2783 and online at <http://www.semo.edu/ustudies>.

WORKSHOPS

Workshop courses are generally designed to meet a specific current need by offering students intensive study of a single topic, problem or issue. Workshops numbered 800-833 are open to all undergraduate and graduate students and are awarded lower division credit; those numbered 834-866 are open to undergraduate students who have completed 45 semester hours, and to graduate students and are awarded upper level or graduate credit. Normally, workshops are graded 'CR' for credit only.
