ENGLISH FOR EDUCATORS

This course helps current and future teachers improve their English language communication and teaching skills. Students observe expert teachers, conduct a teaching demonstration, and discuss topics, including classroom management, educational technology, and strategies for teaching specific skills. This program is best suited for language teachers, but any education student or professional may participate.

BUILD

- / Reading, writing, listening, and speaking skills in English
- / Cross-cultural and professional skills
- / English vocabulary and pronunciation

ENJOY

- / A friendly and safe campus
- / University lectures and activities
- / Cultural activities in Cape Girardeau, St. Louis, and Memphis

LIVE

- / In your choice of available on-campus, homestay family, or nearby hotel accommodations
- / Near the Mississippi River, the largest river in North America
- / In a safe community near major U.S. cities
