SOUTHEAST MISSOURI
STATE UNIVERSITY • 1873

ENGLISH FOR HEALTH SCIENCES PROGRAM

This course is designed for students in health sciences fields, such as medicine, pharmacy, nursing, physical therapy, and psychology. Students practice English skills, interact with healthcare professionals, and experience the culture of the United States.

BUILD

- / Reading, writing, listening, and speaking skills in English
- / Cross-cultural and professional skills
- / General and medical vocabulary

ENJOY

- / A friendly and safe campus
- / University lectures and activities
- / Visits to local healthcare providers
- / Cultural activities in Cape Girardeau, St. Louis, and Memphis

LIVE

- / In your choice of available on-campus, homestay family, or nearby hotel accommodations
- / Near the Mississippi River, the largest river in North America
- / In a safe community near major U.S. cities
