

Bachelor of Science in Business Administration (BSBA)

International Business

Southeast's international business program provides a specialized curriculum for students interested in preparing themselves for managerial careers in international business. This interdisciplinary major emphasizes the development of cultural, financial, managerial, marketing, and economic understanding of the international environment. Students will be prepared for employment with companies participating in global commerce—from locally owned entrepreneurial enterprises to multinational corporations. Career positions include international product manager, international plant manager, foreign exchange trader, international buyer, and international sales analyst. International managers are often well positioned for top executive positions in multinational corporations. International study opportunities include over 20 overseas locations while paying Southeast's standard tuition and fees.

International Business students will...

- Interact with qualified, award winning faculty in a small class environment.
- Study in Robert A. Dempster Hall, an efficient and beautiful business building the feel of a corporate environment.
- Have access to more than 30 study-abroad programs offered with the Harrison College of Business.
- Have access to Southeast's Center for International Business Programs, which provides support for international business majors and coordinates numerous international exchange and group immersion programs annually.

Career Planning

Currently, 98 percent of Harrison College of Business graduates find employment within a year of graduation.

Career preparation is part of the mission of Southeast. 100% of programs offer our students an internship, study-abroad program, clinical opportunity, student teaching or research internship.

The Office of Career Services in Academic Hall 057 can provide students with professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

Demonstrated Career Proficiency is a Requirement of all Southeast Students

CL001	First Semester	Students connect academic career planning by completing an online career assessment
CL002	Second Semester	Students learn more about resources available to enhance academic and career planning
CL003	Junior Year	Students learn about continued career planning, job search strategies, and networking
CL004	Senior Year	Students learn about resume development, professional communication, interviewing, and transitioning to the first job from college
