

## Bachelor of Science in Nursing, post-licensure (RN-BSN)

# Nursing (RN-BSN) Online

The Department of Nursing offers a Bachelor of Science in Nursing (BSN). Within the BSN program there is a baccalaureate completion (RN-BSN) option for registered nurses desiring a Bachelor of Science in Nursing. The RN-BSN option is offered as an entirely online program.

The RN-BSN program is approved by the Missouri State Board of Nursing and accredited by the Commission on Collegiate Nursing Education (CCNE).

### Becoming Career Ready...

/ Nursing students are taught in theory and clinical courses by experienced faculty possessing a minimum of a master's degree in nursing or doctoral degrees.

/ Graduates of the nursing program work in private practice healthcare, and hospital settings, in schools, and state and government areas. Examples of job titles include nurse, nurse case manager, insurance firm nurse, school nurse, and nurse educator.

/ Graduates are fully prepared for nursing practice in their preferred area of nursing, and are eligible to apply to any graduate program in nursing.

/ Nursing (RN-BSN) students may continue to function in their current area of employment upon graduation and will be eligible to apply for leadership and/or management positions. Graduates will also be eligible to apply to any MSN program.

/ The path to a successful career starts with you! You can maximize your career development by working closely with Career Services and Southeast faculty – they are here to help you connect your passions, interests, and skills to jobs and opportunities in the field. Career Services provides professional career counseling and coaching, resume critiques, practice interviews, job search strategies, career events, networking opportunities, and more.

### About Our Online Programs

At Southeast, if a program is designated as an online degree, you can complete your degree anywhere, without ever having to come to one of our campuses. As a student in an online class, your faculty will be the same faculty who teach in our campus classrooms. Advising for online programs and other support services are all completed online by staff who specialize in serving distance students.

*This program could lead to licensure or certification. However, Southeast's program either does not meet, or we cannot determine if it meets, the licensure or certification requirement in all states. Please consult our State Authorization page, Licensure tab, to determine information specific to your state: <https://semo.edu/online/student-resources/stateauth.html>.*
