² A discipline is denoted by a course code prefix.
 Exceptions: CN, FR, GN, SN are the same discipline;
 EH and WH are the same discipline;
 MH, MM, and MU are the same discipline.

**Students can only apply one of these courses toward their general education requirements.

HOW DO 'ADDITIONAL REQUIREMENTS' WORK?

When you earn additional credits in one or more of the other categories, you can apply these credits to Additional Requirements. UI100 is required for some students (see footnote).

For Transfer Students: Any course with 	3
For Transfer Students: Any course with 	2/3
For Non-Transfer Students: Any course credit	2/3
For Non-Transfer Students: UI100 Freshman Seminar***	3

***UI100 Freshman Seminar is required for all students unless they transfer with more than 24 credit hours from another institution. This does not include credit hours from dual enrollment, dual credit, military credit, or early college credit

General Education at Southeast Missouri State University prepares students:

- to demonstrate the moral and ethical values of a diverse society
- to locate, organize, evaluate, and synthesize information from various sources
- to communicate effectively through various channels and systems
- to demonstrate critical and creative thinking, quantitative literacy, and problem-solving
